

# Viking Swim Club

In Petersburg, Alaska's Little Norway

**Viking Swim Club** is currently recruiting for the position of *full time head coach*. VSC has consistently produced some of the best swimmers in Alaska and the Pacific Northwest region. **Viking Swim Club** is located in beautiful Petersburg, Alaska. Known as Alaska's Little Norway, Petersburg is a fun friendly community with good schools, a great swim team and a brand new pool facility.

**VSC** is looking for an enthusiastic, energetic and motivated coach to join our program. It would be preferred that the candidate would have a level II ASCA certification and some prior swim coaching experience. The new head coach would be responsible for writing and implementing workouts for all different levels of competitive swimmers.

**VSC** serves swimmers that begin at the developmental and novice level and on up to the Senior Sectional level. Applicants should have experience with, and be willing to work with all levels of **vsc** Swimmers. **vsc** trains in a new 6-lane/ 25-yard pool located in the community swimming facility that also features community cardio training facilities, a sauna and warm pool with water slide.

**VSC** is a not-for-profit 1031-3C Corporation and the coach reports to and is directed by an experienced Board of Directors. The Head Coach typically oversees an assistant coach. Generally, **VSC** and the Head Coach travel to four regional meets, three championship state meets and one out of state meet per season. The coach must be able to attend & coach the swim meets and coach afternoon workouts with some morning and weekend workouts as needed for competitive level swimmers. There may also be other duties as assigned.

The preferred candidate should currently be registered with USA Swimming and ASCA, , first aid certification, CPR, AED and have passed the USA Swimming background check. Applicant must have a positive attitude and be able provide each individual swimmer with the best experience possible. Preferred applicants should have competitive swimming experience, preferably at the collegiate level.

The applicant must be able to run day-to-day operations of swim team, compile meet entries, assist in some administrative and managerial duties and attend monthly board meetings. An opportunity to coach the high school swim and dive team could also be available.

Those interested should contact Leif Stenfjord, VSC president, at [leif@petersburgproperties.com](mailto:leif@petersburgproperties.com)
