Pacific Swimming Equipment Grant

In an effort to support our member clubs and to provide direct impact to our athletes, the Pacific Swimming Board of Directors has approved a one-time grant to member clubs in good standing*. The funds awarded will be based on the number of year-round athletes (see below), and will be allocated for the specific purpose of purchasing training equipment for the club.

As a result of our sponsorship arrangement and relationship with **Speedo**, they have generously offered a 30% discount on Speedo training equipment such as snorkels, fins, paddles, etc. (see list for eligible products). For training items not supplied by Speedo, Finis has also generously offered a 30% discount (see list). Our sincere thank you to both Speedo and Finis for supporting this grant program and the athletes in Pacific Swimming.

*Club requirements:

- Clubs must be in good standing with Pacific Swimming, i.e., no outstanding obligations and current on all registrations
- Clubs must be represented at the October House of Delegates meeting
- Clubs must have working officials at a minimum of:
 - One official for clubs under 100 members
 - Three officials for clubs from 101 members to 200 members
 - Five officials for clubs over 200 members

Note: a "working official" is one who has worked at least ten sessions per year and must be attached to the club

Grant awards will be as follows:

- Clubs between 20 and 100 year-round members will receive \$750
- Clubs from 101 to 200 year-round members will receive \$1,000
- Clubs over 200 year-round members will receive \$1,250
