## Pacific Swimming Equipment Grant

In an effort to support our member clubs and to provide direct impact to our athletes, the Pacific Swimming Board of Directors has approved a one-time grant to member clubs in good standing\*. The funds awarded will be based on the number of year-round athletes (see below), and will be allocated for the specific purpose of purchasing training equipment for the club.

As a result of our sponsorship arrangement and relationship with **Speedo**, they have generously offered a 30% discount on Speedo training equipment such as snorkels, fins, paddles, etc. (see list for eligible products). For training items not supplied by Speedo, Finis has also generously offered a 30% discount (see list). Our sincere thank you to both Speedo and Finis for supporting this grant program and the athletes in Pacific Swimming.
