*Dear Kent Yoshiwara,*

*We are pleased to give Pacific Swimming an update on current events at Oaklantis.*

*This November/December we added three, possibly four kids to our scholarship program. Three of them come directly from the surrounding East Oakland neighborhood.*

*We competed at the Junior Olympics 14 and Under Championship with one swimmer.*

*We completed a successful fundraiser and have two more planned for January.*

*We secured a donation for our team as well.*

*Sincerely,*

*Scott Thompson*
