TOPIC	DISCUSSION - CONCLUSION	RECOMMENDATION/ ACTION	FOLLOW UP DATE
	6. Discussed how we will handle the increased dues passed down by USA Swimming – March Executive Committee will develop a recommendation regarding how to proceed with these increases.		
Officer's Reports			
Chair	<p>John Bitter:</p> <ol style="list-style-type: none"> 1. There was a staff meeting last week, where a new job position was designed and the plan is to fill it this summer, get the person trained to be ready for September. Some jobs such as handling the OME once it is set up, and sanctioning meets would be included in this job. 2. The USA Team came back from Japan and took second place. 		
Admin Vice Chair – Operations	<p>Leo Lin:</p> <ol style="list-style-type: none"> 1. USA Swimming informed us in early February that our LEAP (LSC Evaluation and Achievement Program) certification is due by May. This is now a mandatory program. We will need to provide such things as letters of approval for all our by-law changes and a lot of other documents. Leo will provide a list of the tasks that need to be completed or updates that need to be done. The Drop Box can be used to store the documents and Jill Ruppenstein will review which of the old documents should be retained from our previous applications and which need to be updated. 2. We are required to have 20% athlete representation on committees based on the number of voting members of a committee, and they must be 16 years old or older. The Officials Committee and Coaches Committee are exempt from this requirement. 3. People should read the Gunderson Report regarding recommendations for improving our Safe Sport Program and provide feedback about which recommendations to implement and which ones would be practically problematic. 		
Admin Vice Chair – Programs	<p>Lehla Irwin:</p> <ol style="list-style-type: none"> 1. Athletes are working on getting an athlete representative from each club 		
Treasurer	<p>Financial Statements have been presented, reviewed, and approved.</p> <p>Mary Ruddell:</p> <ol style="list-style-type: none"> 1. Mary met with Teamworks yesterday to work on closing out 2013, and then moving forward with correct reports for 2014 2. Most of the funds we receive are gathered from September through December and we need to make it last through August. 		
Age Group	No Report		
Sr. Committee	<p>Don Heidary:</p> <ol style="list-style-type: none"> 1. See report on Senior Coaches meeting on the website, regarding changes in the Senior Meet Schedule and Time Standards 2. The 2nd year of the Coaches grant helped send 18 Coaches to various coach conferences 3. Trying to get a DVD or Manual regarding coaching to each club 		
Registration	<p>Laurie Benton</p> <ol style="list-style-type: none"> 1. See report 	Laurie will check with

	<ol style="list-style-type: none"> 2. There is one new club Soma Aquatics (SOMA) 3. There have been two requests for change of names <ol style="list-style-type: none"> a. Mission San Jose Aquatics (MSJA) may be absorbing EBAT and would like to change their name to East Bay Aquatics Association (EBA). However, if this is a formation of a new team all the swimmers would have to go unattached and the full application for a new team would need to be made. On the other hand, EBAT could dissolve and then the swimmers could join MSJA. In that case no name change should be made and no new club filing would be required. b. Boys and Girls Clubs of SF Starfish Aquatics (STAR) requests change to San Francisco Swim Club (CITY) – approved 	<p>MSJA and EBAT to determine what they want to do.</p> <p>Name change to CITY approved</p>	
Report/ Rec - Staff	<p>Jill Ruppenstein:</p> <ol style="list-style-type: none"> 1. Jill will be producing a Directory with Clubs, Zones, BOD officers etc., similar to the Directory USA Swimming produces 2. Presentation regarding Phase 2 Website – see handout, for items and costs: Project Planning, Site Search, Calendar Module, Banner Manager, Social Feed and Icons, Drop-Down to Anchor on Links, Drag and Drop Sort Order in Admin, Add Dynamic Drop Down to Nav, E –Commerce Store, Member Manager, Ticketing – I Frame>AOI, Project Management, Quality Assurance. It was decided that we will not pursue E-Commerce Store, Ticketing, and Social Feeding (will keep Icons) at this point. Jill will try to get a new estimate of what Phase 2 would cost. 3. Project Planning and Management fees should go down with the removal of the 2 most expensive items from project plan. 4. John Bitter would like to have a “bubble” to highlight changes, as a result of the time standard issues caused by host teams not being aware of the revised time standards. 		
Diversity	<p>Kent Yoshiwara :</p> <ol style="list-style-type: none"> 1. Western Zone Diversity Camp applications have been created and are ready for distribution to the LSCs 2. They will need to know how many athletes are registered in each of Pacific’s Zones in order to figure out how much each Zone will contribute to help finance this camp. 3. Looking for the best way to advertise this camp given the findings from the local diversity camp, where the website did not do sufficient outreach. 4. We will be selecting 2 athletes to represent Pacific and 4 alternates. Each LSC can send 2 athletes but if an LSC does not send athletes or only one athlete, the empty slots will be filled by alternates from other LSCs. 5. We will need to look for a cut off standard for athlete applications, such as having at least a sectional cut. We will be sending 2 elite swimmers. 6. We will also have to pick a Coach to be sent to the camp, as well as a Diversity Representative. 7. Deadline for the applications will be in April
