

Motion: 1902DT1: To add a policy regarding Charitable Solicitations to the Policies and Procedures

To add to Section XVI of the P/P

13. Charitable solicitations shall not be posted on the Pacific Swimming website unless it directly benefits or is endorsed by Pacific Swimming or USA Swimming. Such solicitations may be considered for posting on Pacific Swimming social media.

Discussion: The Pacific Swimming website should only be used for the business of Pacific Swimming or USA Swimming. Private solicitations on the website make it appear as if Pacific/USA Swimming are endorsing the fundraisers.
