

Pacific Swimming Q1 Trends
September 1- November 30, 2014

Income:

- Membership actual is \$40,000 less than budgeted. We are seeing a continuing decline in seasonal athletes.
- Income from meet fees has exceeded budget expectations. There has not out a decrease in the number of entries due to individual entry fee increase.
- All other income accounts were at or near budget.

Actual Income for Q1 was \$698,505 vs budgeted \$720,705.

Expenses:

- Expenses for Diversity camp were less than expected. There is one outstanding bill.
- No Fall Diversity grants were issued. (Has this program petered out?)
- Increased fees in Accounting and Audit due to additional audit required by California Department of Justice.
- HOD costs were minimal. The October HOD expenses should be absorbed into the awards banquet and officials clinic when all is held on same day in same location.

Actual Expenses for Q1 were \$522,936 vs budgeted \$619,617.

Additional Budget NOTE: The following amounts were placed into the Board Designated fund (Fund to be used to offset future membership dues increases by USAS).

September:	\$11,406
October:	\$10,362
November:	\$16,680
December:	\$36,136

A total of \$74,586 was transferred to the WELLS investment account in January. This amount represents the recorded total of Non athlete and Athlete memberships x\$6.

As this is an internal transfer of funds – it is not recorded in the budget.
