Secondary Club Recognition

The online entry form contains a space for secondary "club recognition." You may enter a second club for each of your athletes if you wish. The secondary club will be listed in the psych sheet, meet roster and heat sheets, if space is available. Each athlete will have only 16 characters for both his/her club and his/her secondary club. The club does not need to be a USA Swimming member club. It may be any club that your athlete wishes to recognize. Listing this club is for recognition purposes only. Listing this club has nothing to do with representation, team scoring or credentials.

Relay Proof of Time

If you are using a relay entry time achieved as a relay (team time), you must list the four swimmers that actually achieved the time. If your relay is an aggregate, list all of the swimmers and their times. If any of the listed swimmers are not going to compete on a relay, they should not be entered. Enter only those swimmers who may be competing.

- A. Relay teams may be entered at the listed provable time or at the lowest priority non-conforming time standard.
- B. If you are entering an A and B relay, you must use eight (8) different swimmers. You cannot use the same swimmer twice in an event, or to prove a time.
- C. Teams can only submit two relays per event.

Waiver and Release Form

The USA Swimming Waiver and Release Form will be automatically generated by the online system. These forms must be submitted at the registration desk. Make copies as needed for each swimmer. Having this completed will save time during check-in at the competition site. Additionally, a parent or legal guardian must sign form if a swimmer is under the age of majority in his/her home state.

Rules

USA Swimming Rules and Regulations will govern the conduct of these Championships. It shall be the swimmers' and coaches' responsibility to acquaint themselves with all of the information contained in this meet information book.

Membership Requirement

All persons expecting to receive a deck pass should be prepared to show a current USA Swimming membership card. Non-members who have successfully completed the Athlete Protection Training (APT) course and a USA Swimming background check may join on site at the registration check-in desk. Information regarding the APT course and the background check will be available at meet check-in and is also online at usaswimming.org/protect. Coaches must provide proof of CPR, First Aid and Safety Training for Swimming Coaches or USA Swimming approved equivalents, and must have successfully passed the required background check and APT Course.

No swimmer will be issued credential without a coach member present. If the home club coach is not planning to attend event, swimmer must be assigned a supervising coach. Arriving with fellow LSC club/coach is preferred. However, if a swimmer arrives without a coach, he/she must find a willing coach at the facility to sign a supervision form before a credential can be issued.

SWIMS Database—Proof of Time

Times from the following will be in SWIMS, the national times database. Times in the database are not automatic entries to meets.

- A. USA Swimming Sanctioned competition
- B. USA Swimming Approved competition - Check two weeks before the competition to assure the meet has been approved by the LSC, and prior to the start of the competition, ask the Meet Director for the procedure for getting a time into SWIMS.
- C. USA Swimming Observed swims - Be sure a proper request for an Observed Swim is made according to guidelines appearing in the USA Swimming SWIMS Time Module Policy Manual, and prior to the start of the meet, verify that proper procedures are in place for the Observed swim.
- D. The time of any swimmer recorded while legally representing a USA Swimming club, secondary school, college, or university within the appropriate time frame, may be used in proving relay entry times. That swimmer does need to be entered in the championship in question or currently representing that club. Relay times belong to the team. Individual times belong to the swimmer.

Entering Official Times

Individual Events - All individual entry times must be made prior to the entry deadline and must be proven prior to the scratch deadline for that event through the SWIMS Database. No swimmer will be permitted to swim without said proof. Program Operations reserves the right to challenge any submitted time. All scratches must be proven.

Relay Events - Entered times must be proven prior to the scratch deadline for each relay team, in aggregate or as a team. For the purpose of proving times, a club may name a swimmer on only one of its relay teams in each event. Once the relay team or teams have been proven, any swimmer listed by that organization on the entry is eligible to compete on that relay team. Relay teams may be entered at the listed provable time or at the lowest priority non-conforming time standard. This choice must be indicated during the entry process. A club may enter no more than two relay teams in each relay event.

Responsibility Clause

The coach, swimmer or swimmer representative who enters a USA Swimming Championship thereby attests that all times stated are true and correct as achieved qualifying times for each event entered. He/she assumes all responsibility for false or incorrect times, or times which are unacceptable under USA Swimming rules, and shall be assessed a \$100 penalty payable to USA Swimming for each such time entered, unless absolved of the fine by the Vice President of Program Operations or designee or Board of Review. Additional action or penalty may be taken or levied as deemed appropriate by the USA Swimming.

Such penalty shall also be levied against any USA Swimming verification officer who knowingly entered such a false time(s) into the SWIMS Database.

Appeal of fines are to be made to the Vice President for Program Operations or designee and/or Board of Review. Any appeal of the decision of the Vice President for Program Operations or designee shall be in accordance with the provisions of Part Four, specifically Article 405.

Automatic Proven Times

Times submitted to the USA Swimming SWIMS database no later than 20 days prior to the Championships will be in the database. If a time for a swimmer is visible in the public search feature on the USA Swimming website (Times/Time Standards) and it was swum in the appropriate qualifying period, it is considered a proven official time. Entry times not proven by the scratch deadline for the event will be considered as false or incorrect times and are subject to action under provisions of the USA Swimming Rules and Regulations.

SWIMS data entry from properly authorized and observed college meets must be requested. These times will not be automatically placed in the database. Times from all major international championships will be automatically entered in the database. Times from any other meets in which National time standards were met must be requested from the SWIMS Time Official in the LSC in which the meet was held. LSC officials may charge a fee for data entry requested after the meet ends.

Note: Relay lead offs and/or intermediate split times must be requested from the SWIMS Time official in the LSC where the time was achieved. Requesting SWIMS data entry won't enter a swimmer into a competition nor place your club on the USA Swimming mailing list.

Registration

Credentials for this event will be provided at no charge for participating athletes and officials who are members of USA Swimming. Credentials for coaches, managers and chaperones to serve as deck passes for this event shall be issued to those persons listed on each team's deck pass request list in OME. These deck credentials cost \$20 each and are issued according to the following schedule, based upon the total number of participating athletes. There shall be a surcharge of \$20 per person for spectator passes, which money shall become the property of the meet host. You should make sure all your athletes' times are in the SWIMS database.
- D. If you have a distance swimmer (800 meter or 1500 meter), he/she must be checked in prior to the scratch deadline in order to be seeded.
