Notes:
    - Wanted Changes
    - Trials and Finals meet?
    - All swimmers swim in 1 group? (I heard a complaint from a parent that an "A" swimmer only had 3 swimmers in all her events. Makes it seem like No competition.)

--Allow swimmers from outside Zone 4 to swim in meet if they have swam in 3 or 4 Zone 4 qualifying meets?

--Podium for top 3 swimmers in Finals.

b) This year's Western Zone meet will be held in Farmington, New Mexico. Due to this location, the co-pay that Pacific Swimming has established to attend this meet is set at \$500 per athlete. I would like to make a motion within Zone 4 and discuss it at the May 8 meeting. My motion would be to have Zone 4 re-imburse any Zone 4 swimmers that are selected to the team to the amount of \$200. Usually the co-pay set by Pacific Swimming each year is \$300-\$350 each year. Therefore, if Zone 4 could re-imburse the amount of \$200 then it would alleviate the stress from how expensive this meet is.

Take care and see you in May!

Randy Burns
