

Monterey Bay Swim Club

A Full-Service, USA Swimming Level 1 Recognition Club

Head Age Group Coaching Position

Management duties require the candidate to oversee two to three additional coaches, swim lesson instructors, schedules, and lead our 12&U competitive programmes within the guidelines of our strategic plan.

Coaching duties require the candidate to be directly responsible for two diverse groups. Programme hours vary with the swimming season yet average 28 hrs per week including the requisite administration and communication time. Additional hours and compensation are available through our community swim and adult programmes.

Administrative duties require the candidate to communicate effectively, verbally and in written form, with staff, parents and director of swimming. This requires staff and group meetings, timely newsletters, and dissemination of information to the membership.

Compensation to be determined by experience and education. The opportunity at MBSC is to further your career by working with an Olympic coach, a supportive Board of Directors, and a growing, full-service, swimming organization.
