The Pacific Swimming Grant Program

The 2017 Athlete/Training Equipment Grant

In an effort to support our member clubs and to provide direct impact to our athletes, the Pacific Swimming Board of Directors offers the second grant in the quad series. The training equipment grant funds awarded will be based on the number of year-round athletes (see below), and will be allocated for the purpose of purchasing training equipment or training assistance for your athletes. Pacific Swimming would like to thank FINIS for supporting this grant.
