

Motions from PC Camp Committee

2107CC01: To amend the budgeted co-pay from \$15 to \$20 per athlete to attend the 2021 Reopening Camp.

This entry fee will cover any athlete's Flex Registration if they are not a currently registered swimmer. If the athlete is already registered, the fee will go to covering costs (pool rent and food). This camp will not make a profit. Estimated income \$1200

2107CC02: To amend the budgeted expenses of the 2021 Reopening Camp to \$5000 from USA Swimming and \$2500 from Pacific Swimming, totaling \$7500.

We have been awarded \$5000 from USAS with a required contribution of 50% from PC. If we spend less than \$2500, the amount from USAS will be less.
