December 9, 2016

Dear Kent Yoshiwara,

We are pleased to give Pacific Swimming an update on current events at Oaklantis.

This November/December we added three, possibly four kids to our scholarship program. Three of them come directly from the surrounding East Oakland neighborhood.

We competed at the Junior Olympics 14 and Under Championship with one swimmer.

We completed a successful fundraiser and have two more planned for January.

We secured a donation for our team as well.

Sincerely,

Scott Thompson
