Board of Directors Report - April 20, 2026

bcaldwell@pacswim.org

(925) 496-6067 (business cell)

Goals over the next year

1. No athlete is closed out of a meet due to the meet closing early
2. Parents, athletes, coaches, officials notice, feel, and recognize better quality meets.
3. Retention is above 70% in 3 age/gender categories
4. Splashes increase by 3% across the board
5. Rate of improvement increases by 1%

Finished projects since Feb BOD meeting

1. March & April newsletter published and posted.
2. PC 2026-27 schedule completed and posted.
3. Letter to zones for suggested improvements to CBA meets completed.
4. July meet analysis study completed - see attachment for data. Thank you to Morgan for spreadsheet tools to provide organization.
 - a. 15,892 total athletes; 5165 are competing in minimum 1 meet in July (32%)
 - i. If estimated to include BP meets that we do not have a complete athlete list for, this percentage jumps to ~35%
 - ii. ~2000-2300 are competing in multiple meets in July
 - b. 32-35% seems low. Next step is to compare to club membership numbers and reach out to clubs who are underparticipating compared to their membership.
5. 11-12 distance analysis study -
 - a. Distance races in 11-12 1000 and 1650 from Sept 1, 2025 to Feb 28, 2026 are down 35% from the year before. Removing 11-12's from the senior meets does not appear to have a significant impact in this data, as there were only 8 swims from senior meets out of 331 unique distance races (2.4%)
 - b. Zones are encouraged to have the conversation about including distance events into their CBA meets. Ideas on how to implement them are included in the letter to zones.
6. Summer Far Westerns formatting approved
7. Conducted 1 meeting with Independence HS to distribute info to clubs for potential facility rentals. Will repeat with 2-3 other facilities as needed.
8. Spring AG Champs Survey - completed, Quantifiable data attached.
9. AG goals for PC AG Meets discussed at last AG Meeting

For Consideration/Discussion

1. Combining July 2027 AG & Sr Champs into 2 all ages meets (See attachment)
2. Meet organization timeline (See attachment)
