

OAKLANTIS SWIMMING

Pacific Swimming Grant Report **Spring 2019**

1. From May 2019-Present, Oaklantis gave out \$38,879.24 of financial aid to swimmers in our program. That comes out to an average of \$3,239 per month of financial aid given out to swimmers. The Pacific Swimming Diversity Grant for spring 2019 of \$1,100--that was awarded to Oaklantis--serves one swimmer for approximately one full years worth of lessons on full scholarship.
2. The ethnic diversity of our group at the time of the grant submission was Asian: 3%, Hispanic: 22%, African American: 43%, and Other: 32%. At the time of our grant submission 33% of swim schoolers were on scholarship. We are currently working on getting improved diversity data through a survey that is out to our program.
3. The funding for this grant has increased awareness in the community by helping us continue our 'affordable for all' swim program in Oakland. This grant supports approximately twelve months of full scholarship for a swimmer in our program.
4. The team plans to grow this program by continuing our fundraising efforts and grant writing efforts. We will continue advertising our program with flyers in the community, news stories, online presence, and word of mouth. We will be on SwimSwam.com in February for 'drill of the month.' Oaklantis is the only swim program in Oakland that has year round swim team and swim school, and is affordable for all.
