

Report from the General Chair,

Zone HOD reports - please send Cindy a slide or two to be displayed while you are reporting. I would like every Zone Chair to present a short status report for their Zone including any pandemic-related issues that are continuing to cause concern.

Each Zone should review their Bylaws and/or P&P and be sure they are updated to include 20% Athlete Representation on their BOD

Coach Asher Green will be summarizing what he learned from the USA Swimming workshop regarding the new coach certification requirements.
