Action Items Completed: The planning and successful LSC Official's Clinic was held! We had a "warm-up" trial run the weekend before and our Presenters, Bob Armbruster, Randy Wu, Sylvain Flamant, PJ Yim, Phil Grant, Gary Lai, John King, Markus Daene, Lisa Kaplan, Mike Piccado, Gary Arita, Mary Ruddell, Debbi Tucker, Mark Ryan and Christopher Lam were present long with Diana Fetterman and Jay and Cindy Rowland (David Cottam also attended the "warm-up"). Bugs were worked out, and everyone was ready for the following week! I am bias, but all of the people noted above, along with Steve Kumpan did an outstanding job in their presentations! Other than someone pushing the "Red Button", I feel that the clinic was a huge success! Many compliments about the entire clinic were heard. Again, the Clinic was as successful as it was due to the work of Cindy, Diana and Jay!

Extra Kudos goes to John King for an outstanding presentation. I will be discussing the possibility of using John King's presentation for all of the Zones.

Action Items In-Progress / Pending: The turnout was amazing for the Clinic. The Official's Committee will be working to input all of the attendees of the Clinic as an activity in USA Swimming's Official's Tracking System. I will also be adding the Meet Referee Roundtable attendees into the OTS system. The comments from the Roundtable will be added to our Meet Template for Meets during COVID restrictions.

Announcements: The Western Zone Committee has scheduled 3 Spring Sectional Meets The first two will be the second ½ of March in Arizona with the 3rd Sectional Meet in St. George, Utah. I will be the Meet Referee for the Utah Sectional Meet with Mary Ruddell as my Administrative Referee.

The Western Senior Zone Meet as well as the Western Age Group Championships are planned to be held per the Western Zone Official's meeting in February.
