

2607SR02 – Senior Open Qualifying Times Trial Extension

Motion to continue to require a minimum time standard of a 15-16 BB time for athletes aged 13 & up to enter Senior Open meets for one more competition year. These entry times will require time verification.

Purpose: An additional year will allow the Senior Committee to evaluate the impact on the size of Senior Open meets and any trends that may emerge. The objective is to right size the meet to serve as many athletes as possible while maintaining a positive competition experience. The motion affects P&P Sec IX A.5.b.(1) which states “For Senior Open meet, thirteen-year-old and older athletes shall be automatically qualified.”
