

Motion 2609AG02 – Age Group Championship Duration

The Age Group Committee moves to amend the Pacific Swimming Policies and Procedures to allow for Age Group Championships to be as long as 3.5 day.

Purpose: The coaches of Pacific were polled, and a large majority would like to have the meet duration extended to 3.5 days, so that all four distance events (400/500, 800/1000, 1500/1650 and 400 IM) can be held without having two of these events on one day. The addition of “one or” is to clarify that the meet may be held at one or two venues.
