

## **2601GOV01 – Zone Bylaws**

Motion to amend Section 1 of the Rules and Regulations to remove reference to Bylaws for Zones.

Rationale: USA Swimming has brought to our attention that because the Zones of Pacific Swimming are not individual non-profit entities, they are not permitted to have their own Bylaws. This motion still allows Zones to have their own governing documents, and the Zones may determine what they would like to title their documents.
