

Motion 2503ADM02 – PC Records and Awards Eligibility (amended)

Motion to add “Only results from national and international competition, and competition sanctioned, approved or observed by any LSC, shall be considered for Pacific Swimming records.” and “Only results from national and international competition, and competition sanctioned, approved or observed by any LSC, shall be considered for Pacific Swimming awards.” to the Policies and Procedures to clarify which results will be used to determine Pacific Swimming records and awards.

(Amended by the Governance Committee)

Purpose: Without the ability to verify the legality of a swim at non-LSC sanctioned meets, it will be difficult to determine award winners and record breakers. This clarification is to designate that we will only use verifiable swims to award athletes.
