Hello Executive Committee Members,

Lehla has already sent one email calling for your votes to approve the 25-26 Time Standards. If you have not responded to that email, please do so. Since then there have been 4 motions submitted for the group to approve. We will **need a minimum of 9 Executive Committee members** to have a quorum and for any vote to be upheld.

Please click [this link to cast your vote](#) by Friday, August 22.

Motion 2508SRC01 - **Senior 2 Meet Support** is to make NNA financial whole for hosting a Pacific Swimming meet in July. Without this assistance NNA will lose money on the event. See attached document for more.

Motion 2508SRC02 - **Travel Support Increase** is to cover the unbudgeted cost of travel support that PC has committed to our members. This motion is to inform the board of the need for spending more than the budgeted amount and obtain their approval. On the whole the budget for the year will still be very close to, if not completely balanced. More information attached.

Motion 2508FIN01 - **Change of PC Signer of Accounts** is to affirm that Jeff Reagan (our newly elected Finance Vice Chair) will be a signer of PC accounts and that Debbi and Mary will be removed at the end of the month. Motion attached.

Motion 2508FIN02 - **Reissued Check Policy** is a 30-Day motion being presented, but does not need to be voted on at this time. Motion attached.

All motions are also posted on the pacswim website for transparency. If you need more time or have any questions please let Lehla or me know as soon as possible.

Thank you!
