

Pacific Swimming - Competition Coordinator
House of Delegates Report - October 15, 2025
bcaldwell@pacswim.org
(925) 496-6067 (business cell)

Dear PC Swimming -

Thank you again for this amazing opportunity to serve the members of this LSC. This is the part of governance I enjoy. Connecting with each of you and finding solutions to our challenges is what keeps me going. I only know what I know, and don't know what I don't. Please feel free to reach out if you have questions or concerns.

Kind regards,
Beau Caldwell

Finished projects

1. December Sr 2 meet host secured and format approved by Sr Committee
 - a. DVC bid and awarded host
 - b. 50's non-free added Friday PM
2. Winter AG Champs reformatted - approved by AG Committee, communicated to each zone
 - a. 13-14 50's non-free added to Friday evening, Mixed relays moved to Sat/Sun end of prelims, All 1650's swum on Sunday
 - b. An FAQ sheet with all of this explained will be posted on PC meet page with meet announcement.
3. Meet Survey Analysis - 2025 LC Far Westerns, 2025 Spring & Summer AG Champs

Works in progress - expected finish date

1. Connecting with each club to find out what, in regards to meets, PC needs to a) keep doing, b) stop doing, and c) start doing.
 - a. Have spoken to 36 clubs over zoom and email. Chart is being categorized with responses; will be sorted and organized with most frequent responses
 - b. Expected finish: November BOD meeting
2. Reformatting for Spring AG Champs
 - a. Expected finish- November AG Committee meeting
3. Reformatting for Spring Far Westerns (not about removing 15-18's from meet)
 - a. Expected finish - December AG Committee meeting
4. Reformatting for Summer AG Champs
 - a. Expected finish - January AG Committee meeting
5. Reformatting for Summer Far Westerns (not about removing 15-18's from meet)
 - a. Expected finish - February AG Committee meeting

6. Securing host and formatting for July Senior 2 meet -
 - a. Expected finish - December Senior committee Meeting
7. Working with 1 zone (name redacted) to streamline their meet entry process - special committee formed and will get scheduled soon
 - a. Expected finish: TBA; will share with other zones once completed
8. Analysis for CBA meets including 1) number of athletes per session & meet, 2) number of entries per session & meet, 3) events/athlete per session and meet, 4) session durations. Data obtained by reviewing backup files for each meet
 - a. Expected finish: ongoing, will share at respective zone meetings
9. Have exchanged emails with USF about using Koret Natatorium in winter months. Goal is to create a document with contacts, costs, and other info to hand to host teams
 - a. Expected finish date: December 2025, in advance of the 2025-26 schedule.

Meetings attended - Aug 11-Oct 15, 2025

- b. 2x PC Age Group committee
- c. 5x zone meetings
- d. 2x LSC leaders meetings put on by USAS
