Chair Presentation of Audit	Lehla Irwin – Mary Ann Cropper Auditor <ol style="list-style-type: none"> Presentation of Draft Financial Position, Required Communications of Audit, and 2024-2025 Tax Return Audit was very efficient thanks to our staff and Finance Vice Chair and Pacific's governance documents are "detailed" and "impressive" which is uncommon among non-profits. Not many changes for this year and no new audit or accounting standards to incorporate. "Really solid financial position." Primary recommendation for LSC's \$1.1 million in cash, which about \$900K is not covered by FDIC insurance because it is being held by only one financial institution. Finance Committee is already discussing next steps to address this. Recommendation to look into different products and programs available to address getting funds insured. 	Approved

	6. Of total expenses, 23-25% goes to salary/wages and the largest expense category is grants, scholarships, and stipends paid out to clubs and volunteers. These expenses exceed investment income, which is fulfilling one of the purposes of the LSC. 7. All investments are in line with Pacific's investment policies. No audit adjustments were needed this year, so the numbers presented in the audit are consistent with the financial numbers that have been present throughout the year at BOD meetings. 8. No material weaknesses in internal control, financial reporting or deficiencies in procedures or accounting.
