

### **Motion 2508FIN02 – Reissued Check Policy (Amended)**

The Finance Committee moves to amend the Policies and Procedures as follows to adjust the fee charged for stopping or reissuing checks.

**Purpose:** The Finance Committee has been reviewing its Financial Procedures on aging checks and reissuing uncashed checks. In this process it is standardizing its policies for the Zones. In some cases, checks issued by a Zone have been uncashed or undeposited for months. The money legally belongs to the payee and Zone funds/accounts are made inaccurate by such inaction. This amendment to the P&P is to reflect the changes made to the Financial Procedures document used by all Zone Treasurers.
