

### **2601ATH01 - Western Zone Leadership Summit Budget**

Motion to increase the Athlete Representatives budget by \$9,000 to send eight (8) Athlete Representatives and one (1) chaperone to the 2026 Western Zone Leadership Summit in St. Louis, MI.

**Purpose:** There is \$3,230.86 already in a designated fund for this event. An additional \$5,769.14 to send the remaining members to the summit is needed. Pacific Swimming has the largest Athlete Committee in the country, so we would like to support the Western Zone at its first summit and be mentors to other LSC's as they grow their Athlete Committees. Each attendee is a current member of the Athlete's Executive Committee, and we do not wish to exclude any member.
