Once you complete your online entry, you will be sent confirmations via email. Please keep all of these and bring them with you to the meet (just in case).

These entries must be submitted no later than 11:00am Mountain Time on Monday, December 7, 2015, and cannot be used to improve the seed time of a prior entry, unless the improvement achieves a new bonus or qualifying standard. ### Secondary Club Recognition

The online entry form contains a space for secondary "club recognition." You may enter a second club for each of your athletes if you wish. The secondary club will be listed in the psych sheet, meet roster and heat sheets, if space is available. Each athlete will have only 16 characters for both his/her club and his/her secondary club. The club does not need to be a USA Swimming member club. It may be any club that your athlete wishes to recognize. Listing this club is for recognition purposes only. Listing this club has nothing to do with representation, team scoring or credentials.

### Relay Proof of Time

- A. Relay teams may be entered at the listed provable time or at the lowest priority non-conforming time standard.
- B. If you are entering an A and B relay, you must use eight (8) different swimmers. You may not use the same swimmer twice in an event, or to prove a time.
- C. Teams may only submit two relays per event.
- D. Relay qualifying times must be made by swimmers age 18 or under when the qualifying time is achieved.

### Waiver and Release Form

The USA Swimming Waiver and Release Form will be automatically generated by the online system. These forms must be submitted at the registration desk. Make copies as needed for each swimmer. Having this completed will save time during check-in at the competition site. Additionally, a parent or legal guardian must sign form if swimmer is under the age of majority in his/her home state.

**Rules**

USA Swimming Rules and Regulations will govern the conduct of these Championships. It shall be the swimmers' and coaches' responsibility to acquaint themselves with all of the information contained in this meet information book. No U.S. swimmer will be permitted to compete unless he/she is a member as provided in Article 302. Any U.S. swimmer entered in the meet must be certified by a USA Swimming member-coach as being proficient in performing a racing start. It is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement. This event and associated time trials are held under the sanction of USA Swimming. It is understood and agreed that USA Swimming shall be free from any liabilities or claims for damages arising by reason of injuries to anyone during the conduct of the event.

**Membership Requirement**

All persons expecting to receive a deck pass must be prepared to show a current USA Swimming membership card. Non-members who have successfully completed the Athlete Protection Training (APT) course and a USA Swimming background check may join on site at the registration check-in desk. Information regarding the APT course and the background check will be available at meet check-in and is also online at [usaswimming.org/protect](http://usaswimming.org/protect). Coaches must provide proof of CPR, First Aid and Safety Training for Swimming Coaches or USA Swimming approved equivalents, and must have successfully passed the required background check and APT Course.

No swimmer will be issued credential without a coach member present. If the home club coach is not planning to attend event, swimmer must be assigned a supervising coach. Arriving with fellow LSC club/coach is preferred. However, if a swimmer arrives without a coach, he/she must find a willing coach at the facility to sign supervision form before a credential can be issued.

**SWIMS Database—Proof of Time**

Times from the following will be in SWIMS, the national times database. Times in the database are not automatic entries to meets.

- A. USA Swimming Sanctioned competition
- B. USA Swimming Approved competition - Check two weeks before the competition to assure the meet has been approved by the LSC, and prior to the start of the competition, ask the Meet Director for the procedure for getting a time into SWIMS.
- C. USA Swimming Observed swims - Be sure a proper request for an Observed Swim is made according to guidelines appearing in the USA Swimming SWIMS Time Module Policy Manual, and prior to the start of the meet, verify that proper procedures are in place for the Observed swim.
- D. The time of any swimmer recorded while legally representing a USA Swimming club, secondary school, college or university within the appropriate time frame may be used in proving relay entry times and that swimmer does need to be entered in the championship in question or currently representing that club. Relay times belong to the team. Individual times belong to the swimmer.

**Entering Official Times**

Individual Events - All individual entry times must be made prior to the entry deadline and must be proven prior to the scratch deadline for that event through the SWIMS Database. No swimmer will be permitted to swim without said proof. Program

Operations reserves the right to challenge any submitted time. All scratches must be proven.

Relay Events - Times and names for each entered relay team must be submitted on the master entry relay form. The entered time must be proven prior to the scratch deadline for each entered relay team, in aggregate or as a team. For the purpose of proving times, a club may name a swimmer on only one of its relay teams in each event. Once the relay team or teams have been proven, any swimmer listed by that organization on the master entry form is eligible to compete on that relay team. Relay teams may be entered at the listed provable time or at the lowest priority non-conforming time standard. This choice must be indicated on the relay entry form or online. A club may enter no more than two relay teams in each relay event.

**Responsibility Clause**

The coach, swimmer or swimmer representative who signs a USA Swimming Championship entry form attests that all times stated in the entry form are true and correct as achieved qualifying times for each event entered. He/she assumes all responsibility for false or incorrect times, or times which are unacceptable under USA Swimming rules, and shall be assessed a \$100 penalty payable to the Corporation for each such time entered, unless absolved of the fine by the Vice President of Program Operations or designee or Board of Review. Additional action or penalty may be taken or levied as deemed appropriate by USA Swimming.

Such penalty shall also be levied against any USA Swimming verification officer who entered such a false or incorrect time(s) into the SWIMS Database.

Appeal of fines are to be made to the Vice President of Program Operations or designee and/or Board of Review. Any appeal of the decision of the Vice President of Program Operations or designee shall be in accordance with the provisions of Part Four, specifically Article 407.

**Automatic Proven Times**

If a time for a swimmer is visible in the public search feature on the USA Swimming website (Times/Time Standards) and it was swum in the appropriate qualifying period, it is considered a proven official time. Entry times not proven by the scratch deadline for the event will be considered as false or incorrect times and are subject to action under provisions of the USA Swimming Rules and Regulations.

SWIMS data entry from properly authorized and observed college meets must be requested. These times will not be automatically placed in the database. Times from all major international championships will be automatically entered in the database. Times from any other meets in which National time standards were met must be requested from the SWIMS Time Official in the LSC in which the meet was held. LSC officials may charge a fee for data entry requested after the meet ends.

Note: Relay lead offs and/or intermediate split times must be requested from the SWIMS Time official in the LSC where the time was achieved. Requesting SWIMS data entry won't enter a swimmer into a competition nor place your club on the USA Swimming mailing list.

**Seeding**

For these Championships, the seeding order is:

1. Short Course Yards (SCY)
2. Long Course Meters (LCM)
3. Non-conforming SCY (distance events)
4. Non-conforming LCM (distance events)

**Team Check-In**

Coaches are responsible for all business conducted at the General Meeting. If, for any reason, you cannot attend the meeting, be sure to find out what occurred. You must arrive prior to the scratch deadline for your swimmer's first event to prove times if necessary.

- A. Start with the person that is checking the swimmers' and coaches' membership in USA Swimming. Have your coach membership card with you. To avoid any problems with your swimmers, have their membership cards as well.
- B. After you have been cleared, move on to the individual giving out the Coaches' packets. One of the items you will receive is a psych sheet.
- C. Review the posted psych sheet to make sure your swimmers do not have an asterisk (\*) by their time (this can be done prior to arriving at the meet).
- D. In the event of an asterisk, go to the Times desk immediately and clear the time. It is your responsibility to do this. If it is not cleared by the scratch deadline, the swimmer will be scratched from the event. If a time cannot be proven the coach is subject to a \$100 fine. You should make sure all your athletes' times are in the SWIMS database.
- E. If you have a distance swimmer, he/she must be checked in

- F. prior to the scratch deadline in order to be seeded.
- F. Check your scratches - make certain they are correct and submitted on time. Do not let your swimmer miss his/her best event because you failed to scratch an entry.
- G. Follow all proof of time, scratch and distance event entry procedures by the required deadlines as published.

**Warm-Up and Safety**

Program Operations will provide a complete schedule of warm-up procedures to include lane usage and times, which must be adhered to by all participants. This information will be distributed with the meet information at registration, posted throughout the venue, announced on a regular basis before and during the meet, and monitored by the Meet Referee (or his/her special designees). Flagrant violation of these procedures may result in a disqualification from the meet for unsportsmanlike activity. Encourage your swimmers to cooperate with marshals. The main competition pool will be reserved the last 60 minutes for swimmers competing in that day's events.

**Scratch Procedures**

- A. Location of Scratch Box
  - ◆ The scratch box will be located at the Registration Desk prior to the start of the meet and until the General Meeting.
  - ◆ It will be at the General Meeting.
  - ◆ After the General Meeting, the scratch box will be located with the Clerk of Course for the remainder of the meet.
- B. Scratch Deadlines
  - ◆ The scratch deadline for the Wednesday relays and Thursday's preliminaries shall be fifteen (15) minutes after the General Meeting is adjourned. Coaches who cannot attend the General Meeting are encouraged to e-mail their scratches for the Wednesday relays and Thursday's prelims to the Meet Referee before the scratch deadline.
  - ◆ The scratch deadline for Friday's and Saturday's preliminaries shall be thirty (30) minutes after the time established for the start of the previous evening's finals session.

**Ready Room**

A Ready Room will be used at these Championships prior to each "A" finals heat. Each swimmer in the "A" final (including the fastest-seeded heats of the 1650 events) must report to the Ready Room five minutes preceding the event. Bonus, Consolation, and all Relay heats will report directly to their assigned starting block. No relay heats will report to the Ready Room.

**Relays and Relay Check-In Procedures**

- A. Teams are limited to two relay entries in each relay event.
- B. Qualification for the 4 x 50 relays will be the corresponding 4 x 100 relay time standards.
- C. All relays will be swum as timed finals at the end of the evening sessions. The order for the relays shall be the Women's 2nd Fastest Heat, Women's Fastest Heat, Men's 2nd Fastest Heat, Men's Fastest Heat, Women's 3rd Fastest Heat, Men's 3rd Fastest Heat, Women's 4th Fastest Heat, Men's 4th Fastest Heat, Etc.
- D. Entries for all relays must be checked in prior to the scratch deadline in order to be seeded. Each coach shall pick up relay entry forms from the Clerk of Course on which he/she shall list the competing relay swimmers, their first and last names and order of swimming for each entered relay. Relay forms shall be returned to the Clerk of Course for tabulation approximately one (1) hour prior to the start of the relays. However, relay order may be changed up to the time of the swim.

**Distance Freestyle**

- A. Distance Entry - Any swimmer who qualifies for the 1650 yard freestyle events may enter at their fastest time or at the qualifying time standard, if entered in two or more events on the day of the distance freestyle.
- B. Swimmers may qualify for the 1650 Freestyle events using the 1500/1650 time standards or the 800/1000 time standards.
- C. Distance Check-in and Seeding - Entrants in the 1650 yard freestyle must check in and confirm their intention to compete before the scratch deadline in order to be seeded. Seeded heat sheets will be published at the end of finals the evening before. The swimmers will be listed in the psych sheet in the order of submitted times, beginning with the fastest.
- D. With the exception of the fastest heat, the 1650 Freestyle events (timed finals) will be swum during prelims, with the men's and women's events running simultaneously in their respective pools. Only the fastest (single) seeded heat of Women's and Men's 1650 Freestyle events will be swum in the final session. If only one pool is used for the competition, heats will be swum during prelims, alternating women's and men's heats, with the second fastest heat last, third fastest heat next to last, fourth fastest heat third from last and continuing until all heats are swum. The starting time for each heat held during the preliminary session shall be scheduled so that the second fastest heat of the Men's event is concluded 60 minutes before the evening finals session is scheduled to begin.

**Finals Session Event Order**

There will be a bonus, consolation, and championship final in each individual event at this Championship (except the 1650 yard freestyle events, which will have only the fastest heat swimming in the finals session). The order of the final events shall be C, B and A (bonus, consolation and championship).

An awards ceremony will be conducted immediately after each event. The top three swimmers in each individual event, and the top three relays in each relay event, should report to the Awards Staging Area following the "A" Final for their event, and immediately dress in official team apparel for the medal ceremony. The coach of each first place winner will present awards for that event.

- A. Team Awards - Team awards will be presented to the top three teams in Men's, Women's, and Combined categories.

Time Trials will be conducted for all swimmers entered in the meet provided there is sufficient time between the end of the preliminary session and the start of warm-ups for the final session. Time Trial entries will only be taken on-site at the Clerk of Course. Relay-only swimmers will be allowed to swim in time trials.

- A. Time Trials will be conducted in short course yards each day.
- B. A swimmer is limited to a maximum of two Time Trials during the course of the Championships.

- F. There will be a LC time trial on Sunday morning following the meet. Any swimmer who enters and participates in the championships is eligible to participate in the Sunday time trial. Entries will be accepted through the OME system beginning the first day of the championships (see following page).

Entry fees for Time Trials are the same as those established for the Championships.

The US Anti-Doping Agency (USADA) will be here conducting testing. All athletes competing in the meet may be tested.

Athletes must bring a government issued ID or passport with them to testing. If they do not have one on site, a photo will be taken in doping control.

Athletes will be notified of their selection for doping control immediately after their race.

Athletes are required to report to testing immediately following warm down, awards ceremonies, medical and/or media obligations. Athletes no longer have 60 minutes to report to the testing station.

Athletes who are minors must bring a representative with them to testing. If a coach chooses to act as an athlete representative, he or she must remain in the testing station with the athlete from entry to departure. You cannot go in and out.

**Remember: Pseudoephedrine is prohibited in competition.** USADA indicates that “all athletes should search the status of their Cough and Cold products by active ingredients. Don’t rely on brand name as many things change.”

**FINA rules consider in-competition testing to begin 12 hours before the competition starts and continue through the end of the entire competition (not after the athlete’s last race).**

***Athletes must check the status of all medications at USADA’s website ([www.globaldro.com](http://www.globaldro.com)) or via phone at 719-785-2000.***

Per established doping control testing protocol, a Witnessing Chaperone must directly observe a minor athlete providing a sample. The witnessing chaperone is always someone of the same gender as the athlete. To protect the rights of a minor athlete, someone must observe the witnessing chaperone observing the athlete as they provide a urine sample. That person cannot see the athlete – they can only see the witnessing chaperone watching the athlete. Per USADA’s established protocol the athlete has the right to choose who will be in that role. In the event that a coach acts as an Athlete Representative for an athlete of the opposite gender, they may request that someone on USADA’s crew observe the witnessing chaperone observing the athlete. Then the coach can be the athlete representative for the rest of the processing of the paperwork. The protocol from USADA was included in the email sent out from Stacy Michael-Miller at USA Swimming.

***Sample Collection Process – Minor Athletes (Under 18) November 2010 (From USADA)  
Information for NGB Athlete Support Teams on Testing Processes for Minor Athletes***

*The following information is provided to clarify and be of assistance in managing athlete support related to doping control processes conducted with minor athletes.*

*When a minor athlete is tested, USADA strongly encourages that he/she has a representative present during the sample collection process. To ensure the validity of the process and the minor athlete’s well-being, a third party (in addition to the athlete and the Doping Control Officer) must always be in the toilet area to verify the sample collection. USADA will always have a Chaperone of the same gender, but also suggests that the athlete have his/her own representative present as well. The minor athlete’s representative may participate in this verification process, but only if authorized by the athlete and as instructed by the responsible Doping Control Officer (DCO). USADA will make every effort to accommodate this if the request for a representative is made. The DCO or Chaperone directly observing the provision of the sample will always be of the same gender as the minor athlete. As always, USADA is available to answer questions or further discuss the details provided above.*
