Pacific Swimming House of Delegates Meeting**22 November 2008***(Subject to House of Delegates approval)*

The meeting was called to order at 11:07 a.m.

The minutes of the meeting of 14 June 2008 were approved as written.

Confirmation of Board of Directors Action since the last House of Delegates Meeting:

- 0911-MN1 M/S/Carried (M. Nygren, E. Totah) To approve the actions of the Board of Directors since the last House of Delegates Meeting.

Officer's Reports:**Chair – Joe Woo**

- This is the second House of Delegates Meeting held on a Saturday, in an effort to get more teams to send delegates to the meeting.
- Teleconference Meetings have proven to be very successful. Most of Pacific's Committee meetings and the last Board of Directors Meeting were held via teleconference.

Treasurer – Fred Vogelgesang

- Net Worth, adjusted for the USA-S liability, is \$1,330,542.62 at of 11/15/2008.
- There is a new line on the Financial Report. 'Unrealized gains and losses' has been added because of the change in market conditions and its effects on Pacific's investments. The statement value is \$1,622,496, but the market value is \$1,261,746. The unrealized loss is \$360,751.
- Pacific operated in 2008 at a deficit of \$150,000. The deficit can be attributed to the current market conditions, the addition cost of senior travel reimbursement for Olympic Trials, and the additional cost of sending two all star teams to compete this summer at the North American Challenge Cup and the Western Zone Age Group Championship Meet.

Age Group – Marie Wise for Ricky Silva

- The Age Group Committee is working to send three all star teams to compete in 2009. The Pacific Coast All Star Meet is in January, the North American Challenge Cup will be held in Veracruz, Mexico in August. The Western Zone Age Group Championship Meet will be held in Hawaii in August. The budget for travel is very high in 2009, but will be considerably less in 2010 because the N.A.C.C. and the W.Z.A.G.C. Meets will both be hosted in Pacific.
- The Age Group Committee is also working to improve the major Pacific Age Group Meets: Far Westerns (spring, summer), Junior Olympics (winter, spring, and summer), and the 10&Under Championship Meet (spring).

Senior – Todd Krohn for Warren Lager

- The membership of the Senior Committee has been formalized to include one coach from each zone, the previous Senior Chair, and the Travel Chair. Membership is Warren Lager (Chair), Brian Bolster (Z1S), Sage Hopkins (Z1N), Jon Pallesen (Z2), Tony Scott (Z3), Dave Hoover (Z4), Rick Waterhouse (Travel), and Scott Shea (previous Senior Chair).
- In 2008, the Senior Committee worked to launch a senior meet subsidy program, introduced two new senior meets, expanded travel reimbursement to include coaches, lobbied successfully to keep the Spring Sectional Championship Meet for 2009, and revised the travel reimbursement policies to target only long standing Pacific swimmers.

- The primary goal of the Senior Committee in 2009 is to expand the senior meet schedule, especially during the long course season.

Registration and Membership – Laurie Benton and Judy Siegrist

- 2009 Athlete Membership is 7,066 as of November 21, 2008 (6,021 as of 11/2007)

Standing Committee Reports:

Scheduling – Millie Nygren for David Cottam

- Some zones have scheduled meets during the 2009 House of Delegates Meetings, which was a ‘protected weekend.’

Athletes – Millie Nygren for Alexa Powers

- There are now 11 athlete members on the Pacific Board of Directors.

Disability Swimming – Marie Wise

- The Disability Committee is working with members of the Palo Alto Stanford Aquatics coaching staff to put on clinics for swimmers, coaches, and interested parents about coaching disability swimmers.
- The Committee is also working to educate registering swimmers on the classification system for disability swimmers.

Diversity – Kent Yoshiwara

- The Diversity Committee is reviewing and standardizing the process to apply for, review, and receive financial aid from Pacific for team’s diversity programs.
- In an effort to measure the success of failure of Pacific’s Diversity program, the Committee is looking at the ethnic make-up of Pacific swimmers. It has proven very difficult because more than 60% of the athletes that register in Pacific do not fill out this part of the form (it is optional). The committee may develop a Diversity survey for teams to fill out.

Records – Rick Beebe

- There were 157 new Pacific Age Group and Senior records set in 2008 (up from 48 in 2006, and 73 in 2008).
- Pacific swimmers set seven American Records, three National Age Group Records, and nine National All-Star Relay Records.

Zone Reports:

- **Zone 1 North** – no report
- **Zone 1 South** – no report
- **Zone 2** – Kent Yoshiwara reported that Zone 2 will give its teams preference for entering its meets. The Zone will also provide teams ‘A’ medals for swimmers who will “jump” to ‘A’ times with the revised time standards.
- **Zone 3** – no report
- **Zone 4** – no report

Special Reports – Delegates Reports from the USA Aquatic Sports Convention:

Coaches – Lehla Irwin

- The Western Zone Senior Championship Meet will immediately follow the Western Zone Age Group Championship Meet, which will be held in Hawaii, in early August, 2009. Interested athletes will enter individually and represent their clubs. LSC’s will not send All Star teams to compete.
- USA-Swimming is working to expand the IMX Challenge Motivational Program.
- The new suit rule for 12&Unders goes into effect on May 15, 2009.

Board of Review – Kim Jew

- Effective immediately, all rules and procedures for Board of Review will be set by USA-Swimming.

Officials – Kim Jew

- Officials who worked at the 2008 Olympics made a presentation on the use of underwater video equipment to verify disqualifications. This technology may be used in future USA-S competition.
- Open Water Officials made a presentation on how to judge competitions.
- The Officials Tracking System database is now being used nation-wide, and has been upgraded to allow LSC's to input official's evaluations from local competitions.
- The most heavily discussed rule was the proper way to enforce the suit rules for 12&Unders that is effective May 15, 2009.

Scholastic All-American Recognition – Joyce and Marvin Lanphere

- 598 girls and 375 boys were named USA-S Scholastic All-Americans in 2008. The award is for 10th, 11th, and 12th grade students who have at least at 3.5 grade point average and have met the Junior National Bonus time standard.
- Pacific was the most successful LSC.
- Applications will be available in January.

Times & Recognition – Rick Beebe

- The LSC Portals on the USA-Swimming website are a new avenue to the SWIMS searchable results database. The database is accurate back to 2003, but the LSC records section is not accurate.
- Rick will put a link to the Pacific LSC Portal on the Pacific website.

Internet Workshop – Rick Beebe

- The Children's Online Protection Act was discussed. The COP-Act could have legal ramifications for team websites and websites or services that target children under the age of 13. For more information, contact Rick Beebe.

Mike McCombs, Chairman
Sue McAllister, Vice-Chairman
Cliff Reyda, Treasurer
Linda Nollette, Secretary

November minutes reviewed, approved and seconded.

Chairman's report - No report from Mike. Sue attended House of Delegates meeting, and suggested that more people attend - major decisions are being made regarding finances, rule changes and priorities. Budget was not accepted, and will be discussed at the January House of Delegates meeting. January 28 is both HOD meeting and Pacific LSC meeting. Darwin spoke about reasons for not cutting All Star teams in 2009.

Mike brought Marshall guidelines for each team to take back to their parent volunteers. Mike has swim guides available tonight, at Zones, and at his office - maps are available.

Treasurer: report attached with details. Not much activity in the past 2 months.

Zone 1South 2009 target budget is a project Cliff will be working on, to be presented at the March meeting.

Zones: Frank Suchomel reports that it is 14% larger than ever before. 2 long days. New scratch rules will be in effect. The rule will be printed in the programs, and all swimmers will be given written notice at check-in.

Shannon Mackin brought up a concern regarding relays. Their whole team will be there, and they don't want them split to save an hour. Frank will bring up at the coaches meeting and let the coaches decide.

Sue McAllister has concerns about the swim guides being handed to parents out prior to zones because time standards have changed and may cause confusion.

All Marshalls need to report at 7:00 each day.

Standing Committee reports:

Sanctions: N/A

Officials: Jim Nachtigal spoke about how well Z1S is doing. We have over 100 officials scheduled for Zones. Still looking for more officials. Many attended the clinic in Pleasanton.

GUIDELINES FOR MARSHALS

Marshals must be current members of USA Swimming.

USA Swimming rulebook:

102.18 MARSHALS- Shall wear identifying attire and enforce warm-up procedures and maintain order in the swimming venue. The marshal shall have full authority to warn or order to cease and desist, and, with the concurrence of the Referee, to remove, or have removed from the swimming venue anyone behaving in an unsafe manner or using profane or abusive language, or whose actions are disrupting the orderly conduct of the meet.

Responsibilities of Marshals include:

Marshals should arrive at the swim venue at least fifteen (15) minutes prior to the beginning of warm-ups. They should check in with the referee to receive instructions, i.e. where they will be positioned, special safety concerns for the meet, etc.

The head marshal should have a whistle. Marshals should be easily identifiable by a distinctive article of attire. (Hat, jacket, vest, etc.)

Warm-down areas must be marshaled throughout the meet.

Marshals must not leave the area until coverage is provided or until excused by the referee.

Marshals duties include:

Making sure that swimmers behave in a safe manner. (No running, abusive behavior, etc.)

During general warm-ups, make sure that swimmers enter the water feet first from the starting end only and ease into the water. Swimmers should **NOT** be entering from the opposite end or sides of the pool during warm-ups. **ABSOLUTELY NO DIVING!!!!**

Be alert to dangerously overcrowded warm-ups and alert the meet referee or manager.

Notify the coach of any swimmer who is behaving/acting in an unsafe manner.

Use appropriate language. **NO POWER TRIPS, PLEASE.**

Make sure lanes are cleared before sprint lanes begin.

Your role is to help maintain a safe environment. **Please, Pay Attention!**

Marshals

Safety First. USA Swimming holds the safety of its athletes paramount to their involvement in the sport. Marshals are the primary enforcers of safety rules, but all carded USA Swimming members need to be aware of and enforce safety practices. Marshals must strive to keep our swimmers safe before, during and after the meet.

USA Swimming *Rules and Regulations* provide that Marshals shall:

- Enforce warm-up procedures and maintain order in the swimming venue.
- Have full authority to warn or order to cease and desist and with the concurrence of the referee, to remove, or have removed from the swimming venue anyone behaving in an unsafe manner or using profane language, or whose actions are disrupting the orderly conduct of the meet.

"Swimming venue" means the area located on the sides and ends of the pool, spectator area, team areas within the pool facility (e.g., portion of the building designated for teams and swimmers, or fenced area around outdoor pool), locker rooms, any adjacent areas used by the swim meet, and such other areas as may be specifically designated by the host club or organization, meet director, or meet referee.

The Meet Director must identify the Head Marshal in the application for meet sanctioning by Pacific Swimming. The Meet Referee has responsibility to establish safety rules for safe conduct of the meet within the guidelines of Pacific Swimming and USA Swimming. The Head Marshal is responsible for enforcing the safety rules, and reports to the Meet Referee. All Marshals are officials of the meet and **MUST** be non-athlete members of USA Swimming. Any carded USA Swimming official may be asked by the Meet Referee to assist with marshal's duties as needed at a swim meet.

Head Marshal Job Duties

Before the Meet:

- Recruit a crew of marshals to cover the assignments—remember, locker rooms need to be monitored, so a mix of men and women is needed.
- Make sure all marshals are members of USA Swimming; registration can be done on deck at meet time (no surcharge on the registration fee).
- Get a copy of the Pacific Swimming *Safety Guidelines and Warm-Up Procedures*—these are included in the Meet Director's packets.
- Have a plan for the pool lane set up—which lanes are to be designated as general warm up, push pace, and race start; lane designations are established by the warm-up procedures, but can be modified by the Meet Referee.
- Meet with your crew of marshals for training, and ask the Meet Referee to join you.
- Schedule a venue walk-through a few days before the meet with the Facility Manager, the Meet Director, and the Head Lifeguard who is assigned to your meet.
- Have a safety checklist—go over it.
- Document concerns and recommend corrections before the start of the meet. Note anything broken at the facility, such as cracked windows. (Swim teams have been billed after a meet for repairing items that were broken or damaged before the meet.)
- Ensure that the whereabouts of first aid supplies are known, and that the location and contact details for the nearest paramedics and hospital are known.
- Let the Meet Referee know of any problems.

During meet set-up:

Make sure the supplies you will need are there: Traffic cones, lane designation signs (General Warm-up/Race Starts/Push Pace), rolls of yellow caution tape, duct tape, and distinctive marshal vests or other attire.

At the Meet:

- Be at the pool 20-30 minutes before warm-ups open.
- Your marshals must be ready to work as soon as warm ups are scheduled to begin.
- Before the pool is open warm-ups:
 - Φ Post Pacific Swimming *Safety Guidelines and Warm-Up Procedures*
 - Φ Make sure lane designation signs are up—initially all lanes should be for General Warm Up
- The Meet Referee will open the pool when marshals are on station and the pool is considered to be safe.
- Once the pool is open follow the Referee's instructions for lane use; if a coach asks for Push Pace and/or Race Start lanes, go ahead and make the lane designation changes according to the *Safety Guidelines and Warm-up Procedures*, or as instructed by the Meet Referee.
- Check with the Referee before any announcements are made. The Referee can modify the warm-up schedule if needed.
- During the meet be sure to check in with the Referee, let the Referee know your plan of rotation.
- Make sure any accidents are properly reported on a *Report of Occurrence* form.

Marshal Job Duties

You are the safety representatives of USA Swimming on deck. Your presence on deck, and your attention to safety, helps your club maintain the protection of USA Swimming insurance within the meet venue for the duration of the meet.

- Be on time for your assignment
- Observe the deck and around the starting blocks.
- Keep clear the areas where the swimmers need to walk—such as a route between the warm-up/warm-down pool and the starting blocks.
- Keep “non-swimming” swimmers and parents out of the timers view line *especially for starts and finishes.*
- Monitor the warm up lanes to assure swimmers can warm up and warm down; keep the swimmers moving; no diving, circle swimming only—the warm-up/warm-down lanes are not a place to visit and not a place to play.
- Is the deck safe—no running or horseplay that could cause injury?
- Are there glass containers being used by anyone on deck? If so, have the containers removed.
- Check locker rooms and bathrooms. Are they safe? Let the pool staff know about any supply problems you discover.

Do you need more help? Ask the Meet Director for more volunteers.

Your attention needs to be on the swimmers and the meet venue. If you need to attend to personal business while on duty, ask a registered non-athlete member to cover. Remember, inadequate marshaling of the venue may invalidate the USA Swimming insurance granted with the meet sanction and may leave your club liable for damages from any incident. **THANK YOU FOR YOUR HELP!**

PACIFIC SWIMMING SAFETY GUIDELINES AND WARM-UP PROCEDURES

Warm-up Procedures

1. General Warm-up (initial period)
 - a. All lanes to be used for general warm-up. Circle swimming only.
 - b. Swimmers must enter the pool feet first while maintaining at least one hand on the pool deck until both feet touch the water (3-point entry). NO DIVING or JUMPING allowed from the blocks or the edge of the pool.
 - c. No sprinting or pace work allowed during general warm-up session.
2. Specific Warm-up (upon request of coaches, and with concurrence of Meet Referee or designee)
 - a. The number of push/pace and race start lanes, and when they are made available, will be determined by the Meet Referee or his designee. In general, the outermost lane(s) should be used for push/pace, the next inner lane(s) for race starts, and the remaining lanes for general warm-up. For instance, for a 6-lane pool, lanes 1 and 6 would be for push/pace, lanes 2 and 5 for race starts, and lanes 3 and 4 for general warm-up. Any configuration is acceptable provided safety of swimmers is not compromised.
 - 1) Push/Pace Lanes: For short course, push off for 1-2 lengths of the pool from starting end; circle swimming only, under direct coach supervision. For long course, push off from either end, circle swimming permissible if considered safe by the Meet Referee and if swimmers are under the direct supervision of their coach by walking along with the swimmers.
 - 2) Race Start Lanes: Sprint lanes for race starts from blocks, deck, or for backstroke starts in specified lanes at designated times. Direct coach supervision is required. Swim in one direction, one length of pool only.
 - 3) General warm-up lanes: Circle swimming only.
 - b. Except for lanes designated for Race Starts, swimmers must enter the water feet first while maintaining at least one hand on pool deck until both feet touch the water (3-point entry). NO DIVING or JUMPING.

Safety Guidelines

3. Coach Responsibilities
 - a. Coaches shall instruct their swimmers regarding these safety guidelines and warm-up procedures as they apply to conduct at meets and practices.
 - b. Coaches shall supervise and be responsible for the conduct of their swimmers throughout the meet, including the warm-up session.
4. Host Club Responsibilities
 - a. Marshals
 - 1) The Meet Director shall appoint a minimum of two marshals for a 6-8-lane short course meet, and a minimum of four marshals for a dual short course or any long course meet.
 - 2) One of the marshals shall be designated Head Marshal. The Head Marshal shall receive instruction from the Meet Referee, and shall supervise the activities of other marshals.
 - 3) Marshals shall be current members of USA Swimming.
 - 4) Marshals should be clearly visible by wearing distinctive clothing during warm-up sessions and competition.
 - 5) Marshals shall be on deck during the entire warm-up session to enforce these Safety Guidelines and Warm-up Procedures.

- 6) Marshals shall be on deck during competition to oversee pool areas designated by the Meet Director and Meet Referee for warm-up/warm-down.
- 7) If lifeguards are assigned to work the meet by the host facility, the number of marshals may be reduced, but in no case should the number of marshals be less than two.
- 8) Since lifeguards are usually under the supervision of pool management, they cannot be directed to enforce these safety guidelines and warm-up procedures. However, lifeguards can be asked to do so, if that is acceptable to pool management.

- b. Host team shall provide signs for each lane at both ends of the pool that indicate the designated lane use during warm-up sessions.
- c. Written notices regarding warm-up procedures and no-diving rules shall be posted within the meet venue.
- d. Host club may, with the consent of the Meet Director and Meet Referee, modify the time schedule or recommend lane assignments depending on pool configuration, provided safety considerations are not compromised. Any such changes shall be announced and/or posted prominently in the immediate pool area.
- e. The following statement shall appear in the meet information: "Pacific Swimming Safety Guidelines and Warm-up Procedures will be in effect at this meet."
- f. An announcer should be on duty for the entire warm-up session to announce lane and/or time changes and to assist the conduct of the warm-up session. The announcer should announce race start lanes and warm-up procedures and remind coaches and swimmers of pool closings.
- g. Hazards within the swimming venue shall be removed or clearly marked.

5. Safety Responsibilities During Warm-up and Competition

- a. The Meet Safety Committee shall consist of the Meet Director, Meet Referee and Head Marshal, and shall be responsible for all meet safety issues within the swimming venue.
- b. The Meet Referee shall have ultimate responsibility to establish and enforce rules for safe conduct within the competition pool area for the duration of the swimming competition.
- c. The Head Marshal shall enforce warm-up procedures and maintain order in the swimming venue. During the competition, the Head Marshal shall be responsible for enforcing all safety rules in all other areas other than the competition pool, and shall assist the Meet Referee in the competition pool area as required.
- d. Marshals shall have full authority to warn or order to cease and desist, and, with the concurrence of the Meet Safety Committee, to remove, or have removed, from the swimming venue anyone behaving in an unsafe manner or using profane or abusive language, or whose actions are disrupting the orderly conduct of the meet.
- e. The Meet Director shall ensure that any incident resulting in bodily injury or property damage is properly reported on a Report of Occurrence form.

6. Miscellaneous

- a. "Swimming venue" is defined as the area located on the sides and ends of the pool, spectator area, team areas within the pool facility (eg, portion of the building designated for teams and swimmers, or fenced area around an outdoor pool), locker rooms, and such other areas as may be specifically designated by the Host Club or organization, Meet Director, or Meet Referee.
- b. Coaches of backstrokers shall ensure that backstrokers are not starting at the same time as a swimmer on the blocks. Swimmers shall not step up on the blocks if there is a backstroker waiting to start.
- c. Swimmers shall not jump or dive into the pool to stop another swimmer on a recalled start.
- d. Swimmers are required to exit the pool upon completion of the warm-up to allow other swimmers adequate warm-up time. The warm-up pool is not for visiting or playing.
- e. Warm-up procedures shall be enforced for any breaks scheduled during the competition.

* WALKWAYS AND STEPS MAY NOT BE OBSTRUCTED.

* EVERYBODY WALKS UNLESS THEY ARE SWIMMING. NOBODY RUNS.

Final Minutes

7:40 PM call to order

Board members present at meeting:

Mike McCombs, Chairman
Cliff Reyda, Treasurer
Linda Nollette, Secretary

January minutes reviewed, approved and seconded. Add Frank Suchomel to attendance.

Chairman's report - attached

Treasurer: report attached with details. Report sent to Mike, and reconciled. Attached is annual report that will be sent to Pacific. We're operating at a bit of a loss. We had no reports from 2007. Attached is a report from Champs, still some expenses outstanding. We had a loss in programs - printed too many. Surprise expenses included tires/rims for the trailers. All star expenses will be finalized next meeting.

Zone 1 South 2009 target budget is a project Cliff is working on, and is attached. This is to be used as a guideline, and as a springboard for discussion regarding expenditures.

Standing Committee reports:

Sanctions: N/A

Equipment: \$1275.00 is final cost for scoreboards previously authorized, and it has been ordered. Two Colorado 5 systems would cost \$5070.00. (The Colorado 6 are \$4500.00 each. Frank suggests we wait for the price to come down, and the bugs to be worked out.) These would be supplementing the two 5s we have. We may then be able to sell the 4s we have. One 5 needs repairs. Both systems probably need maintenance/calibration. Frank will eventually request \$ for cabinetry material for the trailer. Motion/2d/passed for purchase of one Colorado 5 (\$2500+) and repairs for one Colorado 5 (\$500.00).

Officials: Jim Nachtigal - 114 officials at Champs. Holding more clinics at meets.

Age group: Darwin Takaki - HOD approved both All-star meets this summer. Co-pays will be equal.

Scheduling: Jim Malley wants to give back June 20-21 meet. VS may try to pick it up.

Coaches: N/A

Safety: N/A

Club development: Sue McAllister's report is attached.

Zone 1 S Champs: Survey out to coaches. Committee will be Veronica, Cathy, Andre and Johanna. Meet too large. How to limit? Minimum standards? Increase fees? Prior experience? Split meet?

Zone All Star Meet: Jim Malley's letter and Karen Green's letter are attached. Discussions regarding recruitment, volunteer commitment, swimmers levels. Potential volunteer names should be forwarded to Mike McCombs.

Unfinished/ongoing business: Swimmer reps still needed. Any interested swimmers to apply to Mike for LSC and Zone level.

Zone website volunteers still welcome, Cliff is maintaining it currently - and doing it well. Moved/2d/approved Cliff stays as webmaster.

New business:

New committee being formed in Morgan Hill regarding pool usage.

Announcements:

Swim guides available.

Meeting adjourned at 9:17

All Star Zone Championship Swim Meet

Report to Zone 1 South Committee

We start off with much organization and preparation by Mike Piccardo. We need to say, "thank you!" He had much gathering of information and contacting of persons and swimmers.

We organized an All Star practice at Lynbrook HS pool on Saturday, February 28, 2009. I introduced myself and all of the Z1S Swim Coaches. I gave all the swimmers a motivational talk for a few minutes to get us going in the right direction. We broke off into age groups for a practice. After the practice, we ate pizza and drank water. We boarded the bus for Burlingame and the Marriot Hotel. After checking in the swimmers were able to watch an appropriate on demand movie in a few rooms. We ate dinner in a ballroom, but the main course wasn't necessarily delicious. Hence we have our first suggestion. This is that we take the swimmers out to restaurant like Sweet Tomatoes or Fresh Choice. The swimmers turned in with light outs by 9:30 P.M. Tape was put on the outside of their doors to make certain we didn't have any mid night adventures or escapades. Breakfast was served in the morning. We had another Zone staying at the hotel so it was a little crowded, but the lines moved quickly. We departed from the hotel around 9:30 A.M.

We arrived at the pool for warm ups. It was raining, but Mike, Sharon, and Les the managers had set up a canopy with food for our swimmers. The food was appropriate and everyone approved. The meet went well. We did have to substitute two swimmers. We placed third out of five Zone Teams. There were many lifetime best performances. We boarded the bus and arrived back at Lynbrook High School around 5:00 P.M. All swimmers and coaches were picked up by 6:00 P.M.

Some suggestions I have received from All Star Coaches and myself are that the bus schedule could be coordinated better in regards to timing. This pertains to the 8 & Under bus also if we have one. We had the same situation at Carson City the previous year. We want to minimize lag time. We should take the swimmers out to a restaurant for dinner. We should schedule some activities if we have time, transportation, and money. We should print Z1S All Star Team 2010 along with our logo on the swimmers swim caps. It would be nice to have a Zone banner. Some coaches were concerned that a manager had a child on the team. They were concerned that this might cause some conflict of interest. Rooms should be arranged by the hotel if at all possible in a block, rather than spread out over a number of floors. This would make supervision smoother. We had a team cheer. We still could improve on this one. Recruiting still is an area to work on. We need to motivate more 13-14 years olds to join the team.

From what I have heard from coaches other than All Star Coaches, swimmers enjoyed the trip and meet. I think we are meeting the expectations of this meet for our swimmers.

Z1S Head Swim Coach 2009 Jim Malley

2009 All-Stars Meet

From: **Karengren@aol.com**

Sent: Sun 3/08/09 11:47 PM

To: asrcswimteam@earthlink.net; 5McCombs@msn.com

Andre and Mike,

I attended this year's All-Star's Meet as a Team Manager/Chaperone for Z1S. I've been asked to submit my feedback for the event. I really made an extra effort to make sure that I was an objective Team Manager and not a parent at this event. Here are my observations:

Positive:

Arriving at the hotel mid-afternoon was good. It gave the kids a chance to wander a bit and check out the hotel.

Great bus driver/service – he was punctual and accommodating. After finding that some of the kids left very necessary items because of such a wet meet, he brought the bus back.

Arranging for 3 separate movies by age-group was great bonding time for the kids.

Dinner by age-group, another great bonding time.

Meals/snacks were well thought out, however, we did run short on Saturday afternoon.

The arrival/set up time for the meet was perfect. The pool was open and canopies were set up for the kids, even though we were a little short.

Negative:

While being at the mercy of the hotel, the rooms by age-group should be better organized/enforced. For example, the 13/14 girls were on two different floors. There were other age-groups that this was also a problem with. The only age-group that had their room next to each other were the 11/12 girls. Z2 was able to obtain two consecutive rows of rooms on two different floors with Coaches/Chaperones on the outside of each set of rooms. Z1S had 3 different floors.

Granted that rain is never easy to accommodate, we really needed more canopies/coverage for the kids.

There should be more than one parent as a Team Manager.

There were problems with late, middle of the night and early morning phone calls to other rooms and coaches. The 13/14 boys were reportedly calling other rooms in the middle of the night. Also, 9/10 girls were texting their coach late in the evening and early in the morning.

Dinner was scheduled for 7pm – this was too late. The kids were done exploring, watching their movies and were starving. Fortunately, the hotel made a mistake and were looking for us to eat at 6pm.

Draft Minutes

7:30 call to order

Board members present at meeting:

Mike McCombs, Chairman

Sue McAllister, Vice-Chairman

Cliff Reyda, Treasurer

Linda Nollette, Secretary

March minutes reviewed, approved and seconded.

Chairman's report: Mike McCombs attended Pacific meeting. Nominations were made, and elections may be contested later this month. Everyone is urged to attend the House of Delegates meeting. Volunteers are dropping out, and power is being consolidated. All-Star teams are in jeopardy. Jenny & Brian Malick have been nominated as volunteers of the year. USA Swimming has notified us that A. King is not allowed on any pool deck, and Mike McCombs should be notified if he is. Tyler Nollette and Eddie Malick are the newest swimmer reps to Pacific. Chloe Isleta did not set the records she was attempting to achieve at the dual meet set up for this purpose. An e-mail vote was held regarding charging for equipment usage - total \$100 for set-up and teardown. (standard is \$100 for setup, \$100 teardown; \$125.00 for usage) Additionally, an unsanctioned meet sheet was circulated, and a \$50.00 fine may ensue. Moved/seconded/approved to fine Dave of RAC. A Morgan Hill Aquatics committee has been formed to look at pool usage/community involvement. Mike McCombs is on this committee. High schools are not getting experienced swimmers, and funding is difficult. Different programs are being looked at and a report will issue shortly. Discussion ensued.

Treasurer: report attached with details. Report sent to Mike, and reconciled. We're operating at a bigger loss than anticipated, (\$4400 vs \$800) mostly due to All-Star reimbursements from Pacific. If people feel strongly about this, they should attend the HOD meeting. New scoreboard and switches and Colorado purchased. No record in minutes regarding swimmer contributions/reimbursements - discussion ensued regarding history. 60 day motion to suspend all Z1S reimbursements of co-pay for all-star meets/seconded. 60 day motion to suspend all Z1S stipends for coaches and managers for all-star meets/seconded.

Policy re: fee waivers discussed. Point made that 7/2005 minutes recorded discussion of this topic. Motion made/second/passed with one abstention that no decision can be made about fee waivers without presenting to Z1S meeting.

Standing Committee reports:

Sanctions: N/A

Equipment: purchased

Officials: Jim Nachtigal - officials doing great. Request made of funds for: CCS hospitality; 2010 HS books; for officials gifts/incentives up to \$1000 moved/second/approved.

Age group: Darwin Takaki - 2009 WZ copay \$970; NACC copay \$500+. Pac Coast 2010 allstars in social; approx \$250.00 copay. No manager for NACC yet. Applications being accepted.

Scheduling: VS has picked up June 20-21 meet.

Coaches: parents allowed on coaches committee?

Safety: N/A

Club development: Sue McAllister's pictures of the building of Independence HS.

Zone 1 S Champs: Survey will out to coaches. Committee will be Veronica, Cathy, Andre and Johanna. Meeting next week. Meet too large. How to limit? Minimum standards? Increase fees? Prior experience? Split meet? Decisions to be presented July 8 meeting. Coaches will be encouraged to attend. The meeting in order to vote.

Zone All Star Meet: Veronica, Johanna & Shannon will form a committee to determine what can be done better. We need to move earlier on this. Additional potential volunteer names should be forwarded to Mike McCombs.

Unfinished/ongoing business:

New business: ESUHD pools and all athletics are currently cancelled. Details to keep sports going are still being worked on - pending elections. May 21 is board meeting, looks good.

Need a scheduling committee: Brian Malick, Jim Nachtigal, Mike Piccardo, Andre Salles-Cunha, Shannon Mackin

Nominating committee: Darwin, Johanna, Marissa need to nominate entire board

Strategic Planning Questionnaire for Zone 1 South Championships 2009

Current Concerns with the Operation of Zone 1 South Championships:

Number of Participants which effects:

- Safety
- Length of Meet
- First meet experience for some swimmers
- Accessibility of teams from the entire zone

Options for dealing with Concerns

There are several things that we in Zone 1 South would like to see improved at our Zone Championship Meet. One, we believe that all athletes should have as positive an experience as possible. Our current meet is becoming a safety issue due to the large number of participants. Before each event the number of kids and parents surrounding the posting boards, can easily cause someone to be injured. If there were ever a fire or other natural disaster at this meet, the ability to evacuate everyone safely could also be in question. This is not to place any blame on Santa Clara, they have graciously held this meet for the zone for decades, and have done everything they possible can to make the meet safe.

The next issue is the length of the meet. Because of the number of participants, the meet often lasts upwards of 8 hours. Typically we like to follow the 4 hour rule for children under the ages of 10, but this is not possible at a meet of this size. Add on the factor that the weather is typically very poor at this meet, and it becomes difficult for anyone to give their best performance in as many as 5 events in one day. Not to mention the sanity of parents, officials, and coaches after being at the pool for as long as 12 hours. One big question we have is: does deck seeding really save us that much time? Is it worth trying to have the meet pre-seeded to see if it is not faster, and to eliminate delays and danger from posting event?

Traditionally this meet has been one at which teams bring every member no matter how experience they are. The current meet is a poor experience for a new swimmer, and is not a good example of the typical USS, Z1S meet. Again, at no fault of the host team, this meet is very stressful and often scary for young new swimmers.

Lastly, a championship meet is not a true championship unless the meet is accessible to all teams within the zone. No one has ever placed a limit on which teams can and can not attend the meet, but our zone is quite large, and driving over an hour to a pool where one will not be able to park, and need to sit out in the freezing cold for the entire day, is not the best way to invite all teams to participate. To declare a real champion, we should encourage as many teams to participate as possible.

Please read over the possible options that we have devised as ways of relieving the issues with our current winter championship meet, and selected which actions you would like to see enacted for Zone 1 South.

Addressing Logistical Efforts: (please mark one)

- 1. Keep the meet the way it is, with check-in, deck seeding, and posting.
- 2. Pre-seed all of the entries, and run through the meet with one call per athlete.

Addressing Number of Participants: (please mark one)

- 1. Keep the meet the way it is.
- 2. Require that all athletes must have participated in at least one sanctioned swim meet prior to entering Zones.
- 3. Require a minimum "B" time standard to enter events, plus one bonus event, of any time standard, each day.

Addressing Accessibility of All Teams in the Zone:

- _____ 1. Keep the meet the way it is at Santa Clara.
- _____ 2. Keep the same format for the meet, but move it to a different site. Please suggest one or two sites: _____
- _____ 3. Split the meet into 3 Divisional meets. Divisions based on size of teams and/or standing from last year's meet. Divisional meets would have results compiled at the end of the weekend with the results of other meets.
If you want to have Divisional meets, we should:
 - _____ A. Have each meet swim all events as Timed Finals.
 - _____ B. Have each meet be a Trial/Final meet.
- _____ 4. Split the meet into three Regional meet locations and divide teams by locations. Each site will run Trials, and Finals will be held at one central location. All relay events will be Timed Finals and will be swum during the finals session.
If we run a Trial and Final meet:
 - _____ A. Have the top 8 individuals swim finals.
 - _____ B. Have the top 16 individuals swim finals.

Addressing which Sites to Use for Meets if we Divide the Championship:

If we were to separate the meet into 3 locations, whether it be for Divisional or Regional meets, which site would you like to see used? Please number to following locations with 1 being your first choice of location and 6 being you the site that you would like to use least.

- _____ 1. Santa Clara
- _____ 2. Morgan Hill
- _____ 3. West Coast
- _____ 4. San Jose Aquatics
- _____ 5. Aptos
- _____ 6. Monterey

If we run a Trial/ Final meet at which site would you like to have Finals run? Mark your top 3 locations in priority order, 1 being your favorite and 3 being your least likely choice of attending.

- _____ 1. Santa Clara
- _____ 2. Morgan Hill
- _____ 3. West Coast
- _____ 4. San Jose Aquatics
- _____ 5. Aptos
- _____ 6. Monterey

Thank you for participating in this survey, and we hope that we will be able to make this next year's zone meet the best ever. Please, feel free to write out any comments or suggestion that you may have, or voice any concerns. The goal is to take every team into consideration.

Sincerely,
Zone 1 South Board

I have remarks concerning additional duties or proposed split duties impacting most committee chairs. I have discussed this with the LSC and the it has been suggested that we arrange our chairs to align with the LSC Chairs. This was not a command, but there are aspects to this that are attractive. Presently I represent the Zone on most LSC committees. It is too much. And on some I may lack the necessary special knowledge of the committee. A couple of you have suggested that the committee chairs represent Z1S and vote for us on the LSC committees. I like the idea. For example, Jim Nachtigal already does this. Think about it. The meetings are often by teleconference, so extra travel seems minimal.

Sanctions: n/a

Equipment:

Officials: Jim Nachtigal tough time getting officials at FW - will levels of officials required change at these meets? Clinic at VC - 86 attendees. Clinics coming every 2 months at C/B/A meets. Coaches need to inform Jim regarding meet changes. Coaches' creds will be 100% checked.

Age group:

Scheduling: Mark Scannell will fill position

Coaches: Shannon will represent us at LSC

Safety: Coach injury at a practice. USA advised coach that they should avoid maintenance and equipment. Advises that team stop maintaining and working with equipment. All coaches on deck must be carded to have coverage effective.

Club development: Cathy Manthey will fill position.

Zone 1 S Champs: Athletes should be represented on committee. Zones will be at Santa Clara. Frank Suchomel is head ref. Marianne Feldman will be meet director. Marianne will also be an at-large rep. There will be an all-team meeting October 14.

Zone All Star Meet: Les Greenwood is team manager; Johanne Brown is head coach, Mark Scannell is meet director, Mike McCombs is meet marshall - we have MHAC.

Unfinished/ongoing business: 2009-10 season that started with NACC and WZ will leave coaches stipend and swimmer reimbursements the same as they have been.

This will leave us \$1400 below 2008.

Diversity: Danica Burge will fill position.

New Business:

Darwin went to a crisis communication workshop at USA convention. Scenario involved a LSC and a coach charged with improper behavior with a swimmer. The LSC and it's rep (Mike McCombs) were given high marks for how they handled the situation .

Darwin highly recommends as many people as possible attending national convention. Pacific needs more of a presence.

Request to move Valley Splash March 21 to Marsh 20. Approved.

SLUG would like to move their 4/3-4 meet from Easter to either April 10/11 (FW) or 5/15-16 (CCS). Decision will be left up to team. Motion made, second, passed.

We need to get meet schedule to publisher - so Mike needs that information, also.

△ Chairman's Report -- Please be aware of minutes posted at Pacific Swimming Website (if any).
Be aware of pending House of Delegates Meeting, Saturday, November 21, 2009, 7 - 9 PM.

House of Delegates meeting set for Nov. 21 -- **NEW!** Don't forget -- Saturday, November 21, is the date for Pacific's fall House of Delegates meeting. The meeting will take place at the Hilton Pleasanton at the Club, 7050 Johnson Drive, Pleasanton, and will run from 7:00-9:00 p.m. All clubs are strongly encouraged to send representatives. One of the items of business will be to approve Pacific's 2010 budget. A copy of the proposed budget is available by contacting Pacific's treasurer at treasurer@pacswim.org. In response, it will be forwarded to the club's representative to the House of Delegates.

Every club has a vote at the House of Delegates. So that s/he can vote, it's important that the person who attends the meeting on behalf of your club is the person listed with Membership Chair Laurie Benton as your club's delegate or alternate delegate to the House of Delegates. If you have a question as to who your team's delegates are, contact Laurie at (925) 686-1286 or laurie4pc@aol.com.

Many clubs have not named delegates or alternate delegates. If your club has not done so, please fill out and send in the Club Delegates Form. A person not listed as a delegate from your club may represent your club at the House of Delegates meeting if he or she brings a letter of authorization signed by your club president.

Δ Unfinished / On-Going Business

Repeat formal request for swimmer reps and at-large seats in Zone.

Zone Champs Configuration & Changes, if any -- on hold.

Zone Meet Bid Process -- Mike McCombs & Jim Nachtigal -- on hold.

Δ New Business

Motion re request concerning equipment from Bill Cunningham: Attached you will find a invoice for some equipment from Colorado Timing Systems. I would like to order the wireless connections for the scoreboards as this will eliminate the need for the wires to the trailers. The LED scoreboard is the only scoreboard it works with which is why I am asking for a new one. I could contact Larry Rice and see if he would be interested in buying our old one (at a reduced price of course). The four mikes are to replace the ones that we have had for years and we are having problems finding parts for them. Motion to be formalized.

Motion re Zone position concerning separation of 15 and overs and 14 and unders at some or all LSC meets. Motion to be formalized.

Δ Announcements

GGST Swim Meet scheduled for December 12 & 13: They need some assistance finding CTJs. I promised them I would help find someone. I discussed this with Jim Nachtigal and suggested this might be a good training opportunity as well. Let us help out. GGST has been kind enough to allow us use of their EZ Ups for the All Star Meet. Thanks.

Final Minutes

See website for copies of handouts. Contact Treasurer for financial reports.

Meeting called to order at 7:35PM.

-Minutes for last meeting approved with edits from Darwin Takaki and Cliff Reyda.

-Forms to attend the House of Delegates meeting were passed out.

-Chairman's Report- Mike McCombs: Recent Andy King news is NOT to be discussed on pool decks anywhere!

-Treasurers Report given by Cliff.

Reimbursements for NACC are being held up by Ricky Silva, because he has not gotten address and names to Cliff. Frank Suchomel will get Cliff swimmer names if required.

-Standing Committees: New Sanctioning rule that must be included in all meet sheets.

-Zone needs more Chief Timing Judges. Every team should have one.

-Motion made by Darwin Takaki, and seconded by Frank Suchomel:

Starting January 1st, if a host team does not provide their own Chief Timing Judge, that team will pay for a volunteer Chief Timing Judge at a cost of \$100 a day. Note that the Chief Timing Judge shall not be the same person as the Colorado Operator.
Motion passed unanimously.

-Age Group- Darwin Takaki: Pacific All Star coaches, managers and head coach have been selected.

-Scheduling- Mark Scannell: The new 2010 meet schedule is complete and all meets are posted on the Pac Swim website.

-Darwin made a suggestion to everyone to have their team parents all run through Megan's List to have back ground checks done. Suggestion of caution.

-LSC is still asking for all teams to have a Facility Safety Director. This is something that all teams need to take care of.

-Zone Championships: Tentative Job Assignments were passed out to all team reps present.

-Wave will take care of all the Marshals.

-Meet sheet is in for sanctioning. Should be out for everyone soon.

-Motion for Bill Cunningham, put forth by Darwin Takaki, to have the zone purchase new equipment, at a price of \$2,745.00. Includes 4 wireless adapters, 4 microphones, and 1 LED score board panel. Price includes shipping. Seconded by Cathy Manthey. Passed unanimously.

-Discussion about Zone 1 South's position on the separation of 15 and Ups from Far Westerns, making that meet a 14 and Under meet only. Over all unofficial stance: we do NOT want the two age groups to be separated for LSC level meets, to have the older age group attend another meet of a nonequivalent time standard.

-Darwin Takaki made a motion to send thank you flowers to Mary Lou Hinderliter of Z1S. Passed.

-Meeting adjourned at 9:37PM.

Attendees:

Mike McCombs, Veronica Hernandez, Cliff Reyda, Frank and Diane Suchomel, Darwin Takaki, Shannon Mackin, Johanna Brown, Carlene Takaki, Mike Picarrdo, Tyson Ormonde, Mark Scannell, Marianne Feldman, Nicholas Jufiar, Cathy Manthey, Ben Bethune, Andre Salles-Cunha, Jenna Overby, Kaye Luck, Keltan Lawler, Rea Brakay, Mark Scott, Mollie Selfridge, Whitney Dean, Misuk Frear.

**2010 Z1 South
Development All-Star Team
Coaches/Chaperon Application**

Thank you for considering being a Coach or Chaperon for the 2010 Z1S Zone All-Star Developmental Meet. This year the Zone All-Star meet will be held in Morgan Hill, at the Morgan Hill Aquatic Center on March 7, 2010.

The Z1S Zone All-Star Committee is looking for dedicated and knowledgeable personnel to supervise our team during this meet. I won't fool you into thinking that this is a weekend paid vacation on Zone One South. It will be long hours, but you will be getting a close up look at some of Zone One South's future swimming stars.

As a Coach, you will be in charge of one of the age groups. It is an important role to fill since a lot of these swimmers have known no other coach but their club coach.

Your job will be to MOTIVATE the swimmers, not to provide new or additional coaching. These swimmers are all talented and would not have been selected if they were not. It will be the coaches' job to prepare the swimmers to swim their best for this meet, to ease any anxiety the swimmers may have. This may be the first time the swimmer has been away from home. You will not necessarily be placed with swimmers from your own club. Part of the objective of this team is to teach the swimmer to adapt to All-Star coaching and to be able to adapt to different situations. To place swimmers with their club coach would not achieve this. Additionally, if one of your swimmers who is on the team and seeks you out for advice or coaching, you should direct them back to the coach assigned to them.

As a Team Chaperon, you will assist the coaches in providing for the needs of the swimmers. Your job will consist of making sure the swimmers have all of their gear, are aware of timeline, and what events are in the water. You will be surrogate "mom" or "dad" on this trip. You will make sure and remind the swimmer that they represent Zone One South and have signed an Honor Code of Conduct to be on this trip and any violation of these rules can mean being sent home, which would hurt not only the swimmer but also the team.

If this is your first time as a Chaperone, you will need to become a Non-Athlete member of Pacific Swimming and you will need to have a background check. Zone One South will pay for the background check. It can be done online and only takes a few minutes.

Please return this Application/Information form to me before December 11, 2009. I will inform you if you have been selected. I look forward to hearing from you.

Sincerely,

Johanna Brown
