Chairman's Report

September 9, 2015

- Executive Committee voted to increase the Swim League Registration Fees from \$225 to \$500, to address the increase in services and work entailed by the Swim Leagues. The Board of Directors (BOD) approved this increase
- Cindy Rowland has been hired to the Executive Administrative position to handle the office, develop Policies and Procedures for staff, to take over the Quik Books from the Treasurer, and to take part with Leo Lin in choosing the location of the Pacific Swimming Office and setting it up. Her hire is a 3-year contract (90 days probation) with renewal to take place after 2 years.
- Revised By-Laws have been submitted to USA Swimming for approval and will automatically take effect on September 1, 2015 if USA Swimming remains silent. Three changes made:
 - Suspension of consecutive terms limit on General Chair position for 2015 – 2017. USAS gave their verbal approval of this before our last House of Delegates (HOD) meeting.
 - Addition of non-retaliation policy as mandated by USA Swimming
 - Formation of LSC Administrative Board of Review to replace our present Board of Review, as mandated by USA Swimming when they instituted Zone (that's USAS zones not our Z1N, Z1S, etc.) Boards of Review. These USAS Zone Boards of Review will handle **ALL** cases that involve code of conduct violations.
- MEFAP (Meet Entry Fee Assistance Program) approved for established "outreach swimmers" or swimmers that will establish as "outreach swimmers"
 - Swimmers will pay the splash fee for a meet and Pacific will pay the other entry fees.
 - This will be a 6-month trial using money left in the diversity fund (about \$13,000 or enough to cover about 260 swimmers)
 - See July 22 BOD meeting minutes for definition of the MEFAP process
- Money will continue to go out in September for travel support for Sectionals, Juniors, Nationals, and Futures meets (NACC and Western Zones money sent out in August)
 - Senior Committee created a survey that lists all the upcoming LSC meets. The survey is requesting that coaches indicate which meets they plan to put on their schedule and the approximate number of swimmers they expect to take to the meet. Survey will be sent out this month.
- Pacific Diversity Camp will take place November 7 or 8 at either MLK or Richmond pool
- Task Force appointed in April (Mary Ruddell chair) to update Rules and Regulations and Policies and Procedures documents (see July 22 BOD meeting minutes for details)
- Task Force appointed (has met twice – Todd Krohn chair) to evaluate age group time standards (see July 22 BOD meeting minutes for details)
- Motion passed to change the Senior Circuit meet scheduled for Feb. 13-15, 2016 hosted by Cabrillo Threshers to a Senior II with trials and finals meet (see July 22 BOD meeting minutes for rationale)
- Motion passed to define the meaning of "protected weekends/dates/meets" (see July 22 BOD meeting minutes for definitions and rationale). Policies and Procedures Task Force has been asked to incorporate these changes in the revised P&P edition.
- Next Pacific BOD meeting will be on September 23, 2015 at the Courtyard San Ramon, 18090 San Ramon Valley Road, 7:30 PM. Next Executive Committee meeting will be in October 21, 2015 by telecon at 7:30 PM.

Accomplishments

Last 60-days

- ▶ Z1S Officials Inventory Complete
- ▶ Action Plan
- ▶ Team Liaisons Identified
- ▶ Recruiting and Training plan

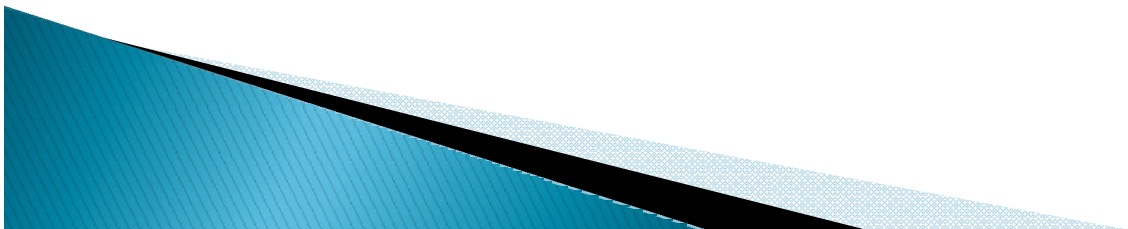

Z1S Official Inventory

Objective: To evaluate the current Z1S Officials situation

Inventory included:

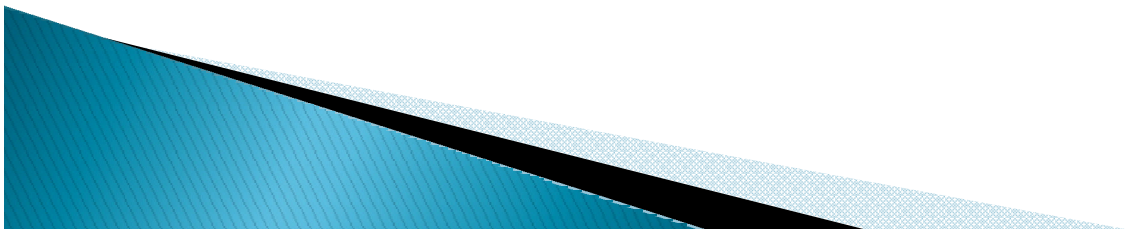

- ▶ Officials by Team
 - How many certified officials versus trainees
 - Expired certifications (i.e. online test, background)
 - How many officials by certification type (starters, Admin)
- ▶ Gaps?
- ▶ Activity Levels – how much do the officials work
- ▶ Officials list and certifications posted on web

Z1S Official Inventory

Our Findings

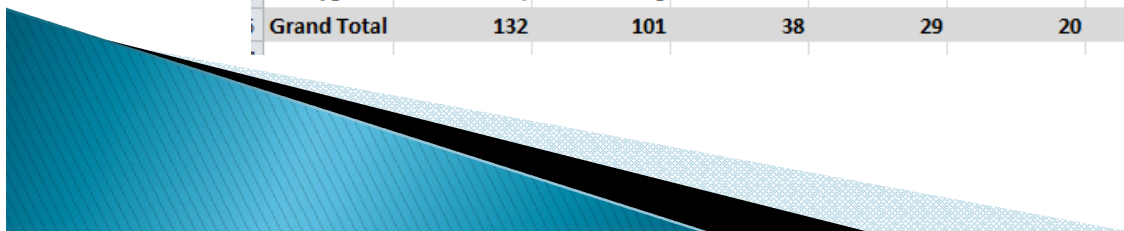

- ▶ Z1S receives significant support from Unattached officials
 - Over half of all Meet Ref and Admin Z1S Certs are from this group
 - Very High Activity Level
- ▶ Number of officials does not equal activity
 - Teams with many officials who do not work much vs. less officials that work a lot
 - Re-certification requirement – 6 sessions per year
- ▶ Incomplete certifications
 - Twenty-nine (29) people have registered with USA-S as an official but have not completed their certification:
 - Some people are not aware of their certification status not being complete
- ▶ AO and Meet Ref Gap
- ▶ Large number of expired certifications

Motion on Colorado Operator Fees

Nov. 11, 2015

MOTION:

Increase the Colorado Operator fee for our trailers to \$200 per day for a single session meet and \$300 for a split session meet (trials and finals) effective January 1, 2016.

DISCUSSION:

There has been no change in the fees for our equipment rental or Colorado Operator fees in the 8+ years since I have been treasurer.

An informal review of the "competition" shows 2 people charging \$300 per day to run the Colorado. A 3rd person charges \$200 a day plus mileage, lodging, and meals.

For reference, our current fees are:

- \$100 a day for the Colorado operator (single session)
- \$150 a day for the Colorado operator (Trials and Finals)
- \$125 a day per trailer equipment rental (paid to Z1S)
- \$100 a day per trailer for set up and tear down.

Our host clubs know best what the financial impact would be to their meets. If this makes the meet costs too high, consider adding the following statement to the motion: "Reduce the trailer rental fees to \$0.00 for Z1S clubs."

The other fees would not change.

We have been getting about \$6000 per year for equipment rental, though a little less the last few years. I believe we will be able to meet our zone's financial needs through the income we get from our Champs meet.

Since I help Bill out and run the Colorado 1 to 2 times a year, I intend to recuse myself from the vote.

Any other idea about changes to the fees are welcome.
