

Zone One South Chair Report

Wednesday, September 12, 2018

- An update to the Flex Membership. Pacific will NOT be offering this just yet. .The Board feels like they need to wait and see how it works elsewhere first.
- We will be appointing some new committees to further the work of the issues and opportunities committee. Hopefully, we can create new, more updated meet formats to accommodate more athletes within the zone.
- Congratulations to all the Zone 1 South Athletes and Coaches who have been nominated for awards by Pacific Swimming and Fitter and Faster/ASCA. Special congratulation to Coach Liv Weaver for her top 10 nomination for Coach of the Year.
- The SAFE SPORT tab on the PacSwim.org website is operational and the Pacific Board is finalizing the hiring of an individual to take over the job.
- My intent is to make the zone more accessible to ALL the teams. There will need to be some changes and I hope that I can count on many people to improve our zone and make it the model in Pacific Swimming.
