

Motion 18MP01: In an effort to support our Z1S member clubs and to provide direct impact to our athletes, the Zone 1 South (Z1S) Board of Directors offers the Z1S Club Recognition Program for the 2018 – 2019 swim season (ends Aug. 31, 2019).

Club Recognition Overview: Z1S will recognize clubs as having achieved Diamond status by earning 30 or more points (see below) by providing the following benefits directly to the club and/or their athletes.

- Club athletes of Diamond status clubs will receive co-pays for meets offering co-pays (at this time, Western Zones and Pacific Coast All Stars).
- Club coaches will receive stipends for meets offering stipends (ZAM).
- Club athletes will receive priority registration for Zone meets for the first three (3) days the meet is open in Swim Connection.
- As soon as a club achieves Diamond status benefits will accrue to its athletes and coaches until the end of the following swim season ending Aug. 31, 2020 for the first Club Recognition year covering the 2018 – 2019 swim season.

To be verified:

- Can only selected clubs be given access to enter meets in Swim Connection for a preliminary period of time (three days)? If not, what do we want to do instead? (Talk with Mike Greymont.)
- Mike Greymont (or others) willing to help train meet directors from clubs who have not yet hosted a meet?

Club Requirements and Points Awarded to Achieve Diamond Status:

- (No points) Must be in good standing with Pacific Swimming, that is, no outstanding obligations and current on registrations.
- (10 points) Club minimum working officials requirement (by size of club):
 - One working official for clubs under 50 year-round athlete members.
 - Two working officials for clubs from 51 to 100 year-round athlete members.
 - Three working officials for clubs from 101 to 150 year-round athlete members.
 - Four working officials for clubs from 151 to 200 year-round athlete members.
 - Five working officials for clubs over 200 year-round athlete members.

Note: A “working official” is one who has worked at least ten sessions per year and must be attached to the club during the qualification period of Sept. 1, 2018 to Aug. 31, 2019 for the first year of the Recognition Program.

- (Points – see note) Hosting a Z1S meet either alone or by forming a group of 2 or more clubs to host the meet.

Note: 10 points per meet when one club hosts meet; 8 points per meet per club when two clubs host meet; 6 points per meet per club when three clubs host meet.

- (5 points per meet) Hosting a Z1S Invitational meet (must be at least three Z1S teams in attendance).
- (10 points) Attending Zone Championship Meets (40% of registered year-round 14 and under swimmers). (Work with Mark T. and Liv W. to tweak this. Make multi-tiered?)
- (2 points per meeting) Attending Zone Meetings (attendee must be either registered with club or a board member).
- (5 points) Z1S Board or Chair positions (must be registered with club).
- (2 points) Coach participating on All Star Teams (ZAM, Western Zones, or Pacific Coast All Stars).
- (8 points max) Club Officials Development Program
 - (1 point) – Program defined, documented, and approved by a Z1S officials chair/co-chair.
 - (4 points) – Program has achieved minimum-working-officials requirement described above.
 - (3 points) – Program has advanced a working official to starter, deck ref, admin official, admin referee, or meet referee and program still meets minimum-working-officials requirement described above.
 - One advanced official for clubs with 100 athlete members or less.
 - Two advanced officials for clubs with 101 to 200 athlete members.
 - Three advanced officials for clubs over 200 athlete members.

Record Keeping for Diamond Status by Club:

- The Z1S Officials Chair and the Z1S Treasurer shall be responsible for the maintenance and accuracy of a Diamond Status spreadsheet by Z1S club but are allowed to recruit a volunteer to do the record keeping.
- Each club shall track its own points for comparison with the Diamond Status spreadsheet so that differences can be cleared and agreed to.

Rationale for proposal:

- Award clubs that are actively contributing toward building a stronger Z1S and helping our athletes receive more opportunities to swim and achieve their swimming goals.
