PACIFIC SWIMMING ALL STAR TRIPS FAMILY AND USA SWIMMING HOME COACH PARTICIPATION GUIDELINES

Congratulations to you as a major supporter of your athlete, who is rightfully proud and excited to be applying for a place on this year's Zone All Star Team. We as the team coaches and managers are looking forward to the coming competition, and are expecting a high level of cooperation and performance from all the athletes on the team. We know you share these aspirations with us.

This is an All-Star Team trip, where our first priority is to promote the best interest of the individual athlete in particular and of the team as a whole. This priority includes safety, fairness of competition for all athletes and the personal growth of each individual in contributing to the team.

You, as a parent and/or a coach, have already contributed enormously to the success of your athlete. In order to help and encourage you to continue this support while your athlete is with the Zone All Star Team, we offer you the following guidelines and ask that you sign them. If you have questions please speak to a manager or the Head Coach.

- Please, if you can, travel to the meet as an official, timer, or spectator. Your personal presence and support is important to the team.
- All team-housing areas are restricted to trip athletes and staff. Request for access to an athlete's areas must be made in writing to the head coach.
- During the trip family members are asked not to visit with the athletes. The athletes are on the trip to perform to the best of their ability and to become a cohesive team. Team functions are designed with this in mind. Since the schedule must remain flexible, the athletes must stay in the team designated areas.
- Arrangements for telephone calls between the athlete and family/coach should be set up ahead of time, initiated by the athlete and limited to no more than five minutes per call. If you need to get in touch with your athlete please contact a staff member to relay a message (they will be glad to help).
- The "team area" during competition is restricted to athletes and staff members. **Parents and home coaches may not be involved with the athletes on the pool deck.**
- Any concerns that may arise during the course of the competition need to be referred immediately to the appropriate staff member. They are in place to help the athletes.

I have read and understand the guidelines set for me as a parent/coach.

- 2) Athletes, parents, coaches, and other adults traveling with a club must sign that club's travel policies. (Required by the USA swimming rulebook, rule 305.5.4)
- 3) In the event of any violations of the travel code, Code of Conduct (article 304), or USA Swimming Athlete Protection Policies (article 305), the chaperone or head coach shall make a written report of all violations to the appropriate club (LSC) leadership and the parent or legal guardian of any affected minor athlete.

- 9) When doing room checks, attending team meetings and/or other activities, coaches and chaperones must maintain two-deep leadership.
- 10) When only one athlete and one coach travel to a competition, the coach and athlete should attempt to establish a "buddy" on another team to facilitate two-deep leadership.
