PACIFIC SWIMMING TEAM TRAVEL TRIPS FAMILY AND USA SWIMMING HOME COACH PARTICIPATION GUIDELINES

Congratulations to you as a major supporter of your athlete, who is rightfully proud and excited to be applying for a place on this year's Zone All Star Team. We as the team coaches and managers are looking forward to the coming competition, and are expecting a high level of cooperation and performance from all the athletes on the team. We know you share these aspirations with us.

This is a Team Travel trip, where our first priority is to promote the best interest of the individual athlete in particular and of the team as a whole. This priority includes safety, fairness of competition for all athletes and the personal growth of each individual in contributing to the team.

You, as a parent and/or a coach, have already contributed enormously to the success of your athlete. In order to help and encourage you to continue this support while your athlete is with the Zone All Star Team, we offer you the following guidelines and ask that you sign them. If you have questions please speak to a manager or the Head Coach.

- Please, if you can, travel to the meet as an official, timer, or spectator. Your personal presence and support is important to the team.
- All team-housing areas are restricted to trip athletes and staff. Request for access to an athlete's areas must be made in writing to the head coach.
- During the trip family members are asked not to visit with the athletes. The athletes are on the trip to perform to the best of their ability and to become a cohesive team. Team functions are designed with this in mind. Since the schedule must remain flexible, the athletes must stay in the team designated areas.
- Arrangements for telephone calls between the athlete and family/coach should be set up ahead of time, initiated by the athlete and limited to no more than five minutes per call. If you need to get in touch with your athlete please contact a staff member to relay a message (they will be glad to help).
- The "team area" during competition is restricted to athletes and staff members. **Parents and home coaches may not be involved with the athletes on the pool deck.**
- Any concerns that may arise during the course of the competition need to be referred immediately to the appropriate staff member. They are in place to help the athletes.

I have read and understand the guidelines set for me as a parent/coach.

Pacific Swimming Travel Policy

Athletes and their parents/legal guardians must read, agree to, and sign the following before traveling:

- Travel Policy (this document)
- Code of Conduct
- Medical consent and release
- Liability release, waiver, or permission to participate

By signing this travel policy, participants agree to the following rules and policies:

- 1) When only one athlete and one coach travel to a competition, the athlete must have written permission from his or her parents/legal guardian in advance to travel alone with the coach. The coach must bring the signed form on the travel trip. (USA swimming, rule 305.5.3)
- 2) Athletes, parents, coaches, and other adults traveling with a club must sign that club's travel policies. (Required by the USA swimming rulebook, rule 305.5.4)
- 3) In the event of any violations of the travel code, Code of Conduct (article 304), or USA Swimming Athlete Protection Policies (article 305), the chaperone or head coach shall make a written report of all violations to the appropriate club (LSC) leadership and the parent or legal guardian of any affected minor athlete.
- 4) The possession, use, or sale/distribution of any illegal substance or any form of weapon is forbidden. The sale or distribution of controlled substances to others is also forbidden.

Chaperones

- 5) A chaperone (also called team manager) is an adult (21 years of age or older) who is not also a coach.
- 6) Chaperones must be members of USA Swimming and have successfully passed a USA Swimming-administered criminal background check (USA Swimming. Rule 305.5.2) and Athlete Protection Training course.
- 7) The use of alcoholic beverages by chaperones is prohibited.
- 8) Chaperones are required to report any violation of the rules. Chaperones cannot use discretion in deciding when to report violations.

Two-Deep Leadership

Two-deep leadership is an athlete safety procedure specifying that every activity involving youth must have at least two adults (coaches and/or chaperones) present.

- 9) When doing room checks, attending team meetings and/or other activities, coaches and chaperones must maintain two-deep leadership.
- 10) When only one athlete and one coach travel to a competition, the coach and athlete should attempt to establish a "buddy" on another team to facilitate two-deep leadership.

Code of Conduct / Honor Code

- 11) Athletes and chaperones will display proper respect and sportsmanship toward coaches, officials, administrators, teammates, fellow competitors and the public at all times.
- 12) The possession or use of alcohol or tobacco products by any athlete is prohibited.
- 13) Athletes are to refrain from inappropriate physical contact at team activities and events.

- 14) Athletes are to refrain from use of inappropriate language.
- 15) Athletes' bags and belongings are subject to inspection by chaperones at any time.

Conduct within Hotels

- 16) Regardless of gender, a coach shall not share a hotel room or other sleeping arrangement with an athlete (unless the coach is the parent, guardian, sibling, or spouse of that particular athlete). (Required by USA swimming rule 305.5.1.)
- 17) During overnight travel, if athletes are paired with other athletes they shall be of the same gender and should be a similar age.
- 18) For overnight travel, chaperones shall stay in nearby rooms.
- 19) Curfews shall be established for each day of the trip. There should be one curfew for athletes to be in their assigned rooms and another for lights-out and quiet. Any athlete who is out of his or her room after the room curfew without permission from the chaperone must be reported as in violation of the travel policies.
- 20) Athletes who entertain guests of opposite gender in a hotel room must have explicit permission from a chaperone. When any group (including athletes not staying in that room) gathers in a room, the door shall remain open and the chaperone's permission is required.
- 21) Athletes should not go into the halls or lobby unless they are dressed appropriately.
- 22) Athletes shall not incur any incidental room charges (room service, movies, internet access) without first obtaining the permission of the assigned chaperone.
- 23) Any damages, excessive mess, or loss incurred at a hotel will be the expense of the athletes assigned to that room and further disciplinary action will be taken. No loud or boisterous behavior will be tolerated in the hallways or public areas.

Transportation and Public Places

- 24) Athletes are expected to remain with the team at all times during the trip. Athletes are not to leave the competition venue, the hotel, a restaurant, or any other place at which the team has gathered without the permission/knowledge of the coach and chaperone.
- 25) When visiting public places such as shopping malls or movie theatres, athletes must remain in groups, of size specified by the chaperone. Athletes 12 and under must be accompanied by a chaperone.
- 26) Athletes should not ride in a coach's vehicle without another adult present who is the same gender as the athlete, unless prior parental permission is obtained.

- Disqualification from one or more events
- Disqualification from future team travel meets
- Financial penalties
