## 13. Old Business and Action Items:

- ✓ A.

## 14. New Business:

- ✓ Confirmation of 2016-2017 Athlete Representatives:
  - Justin Hight (DDST)
  - Allison Kulikowski (RENO)
  - Kaila Duffy (DDST)
  - Interest from an NNA swimmer.
- ✓ Review and discussion of summer meets.
  - Meets are too long and drawn out, and they're a tough sell to families and culture going forward.
    - NNA pushing for a single session March meet. Also plans to change part of the format for summer meet: 2 heat finals for 11 & Overs, single heat finals for 10 & Unders, possibly make 400s and longer timed finals. DDST and other teams support these changes. Discussions about lessening amount of pomp and circumstance for finalists (songs, walk outs, etc). Athlete rep says some athletes really like the pomp, but some wouldn't mind without it.
  - Concerns about local meets not filling up over summer season and effect on team fundraising efforts for host teams.
    - Discussed possibility of changing entries at High Country Champs from invitational meet to open entry. Population was down about 100 swimmers from previous years due to a number of reasons: change in school year (same amount of meets in smaller summer season makes it hard to fill meets with families on vacations). Do we do a different Zone 4 champs at another time of year if this meet gets opened to all teams? Options for doing Trials & Finals meet over Memorial Day?
    - Reno had about 120 fewer swimmers at their June meet. It was expected due to proximity to Olympic Trials. Brian suggested putting more trials and finals meets or different formats to attract out of area swimmers like Idaho, Oregon, and Utah.

- ✓ Erik brought up a proposal to get Zone 4 (in partnership with City of Reno, parks and rec department, and Washoe school District) to get money to get new blocks for Idlewild/Northwest for USA swimming meets and high school meets.
  - Concerns about who gets to use the blocks, where will they be stored, who controls their use, who is in charge of upkeep. Also concerns about specs of installation at Idlewild pool and whether new foundations will need to be poured. Will these deck changes also lead to cost prohibitive updates to the entire Idlewild facility due to ADA compliance issues (locker rooms, etc.) with new construction. Erik working on getting answers for specs on what kind of blocks and what kinds of construction needs.
  - Jim said that from a budgetary stand point, Zone 4 could afford maybe 2 blocks.

**15. Closed Executive Session (Elected & Appointed Officers & Athlete Representatives Only):**  
a. Only if needed to address any confidential matters. (possible Action Item)

**16. Adjourned at 8:54pm**
