Chairman Report

Pacific Swimming Zone 1 North

January 9, 2017

- My apologies I could not attend tonight's meeting. My daughter is in San Francisco for the day and my wife and I are spending time with her touring the container ship she's doing a "winter work" internship on for her naval architecture and marine engineering degree. After that we're going to dinner with her and her classmate who is teaming with her (as a team they are switching between deck cadet on the bridge and engine room cadet every two weeks). The ship is on a Hawaii-Oakland-Seattle route. I expect I will see many of you at the SSFAC meet this weekend.
- Thanks to Gaku for his efforts so far as Meet Director for Z1N Championship meet.
 - There will be a meet webpage-tab on the BSC website and heat-lane-results will post via BSC's TeamUnify site. Jim will email coaches when it is ready for 2017 (i.e. program, timelines, general information, etc.)
- Important for us all to get working on 2017-18 schedule. I seek to have it approved by close of March meeting. Important for us all to pay attention as communications circulate. Bid on time.
- Pacific Swimming Zone All Star meet coming. Alex R. and Dave K are head coaches again. Applications for athletes, coaches and chaperones, etc .will be on the Z1N Meet site/tab (on Bulldog's website) and at the meet.
- LSC bids just sent out, take a look if you are interested in hosting an LSC meet.
- I 'd like to encourage people to be thinking with an eye to the future and about what's been happening with Zone 2 teams becoming interested in moving to Z1N. If FOG is admitted to Z1N, does the zone need to consider if we will entertain further petitions and if so under what circumstances, process and expectations. Should we take this "one off" or develop a process. Please let me know if you have ideas or are interested in helping to develop an application, probation and participation expectations process.
