January 14, 2019

Motion to accept minutes from January 14, 2019 meeting. **Minutes Approved.**

Reports

Chair – Jim

Zone 1 North Championship, generally a success.

- Coaches hospitality was a good first try.
- Bag tags were a nice treat for swimmers.
- From Nick – collecting feedback from coaches and participants and we can debrief at a later date.

Pacific Swimming / USA Swimming

- USA Swimming reformatting bylaws, looking for LSCs to follow those organizational changes. More information at October HOD.
- Elections coming up in May for the board – and adding positions for Administrative Vice Chair, Finance Vice Chair.

Secretary – Laura (none)

Treasurer – Alec

- Background check reimbursements for Official have been processed.
- Financial report Z1N champs, total income around \$6800.
- Financial report Pacific Swimming All Stars upcoming – and we can get up to \$5000 reimbursement from Pacific Swimming for any expenses incurred for hosting the meet.
- Thank you to Alec for taking over the position and getting everything organized.

Sanctions – Kayla

- Long course meets, please be working on your meet sheets. Connect on which events you are going to be offering. Get an early start on finding key positions.
- Coordinate and agree with both venues for any changes to format, events, etc.
- June 1-2 weekend could be a potential add for a dual venue if a club would like to bid on this meet.

Officials – Mike and Nan

- Certified 1 new Meet Ref this year. By July 1, we will have 10 Meet Refs in the Zone and only 3 of them will still have current swimmers.
- Experienced S&T will need 3 years to become as Meet Ref (Starter → Deck Ref → Meet Ref). Mike and Nan could help coaches ID who could move through this progression / through these roles.
- Larry's opinion that the process does not need to take that long, if parents are qualified and competent, they should be able to move through the process more quickly.

Schedule – Aaron

- Bid forms are due Friday, April 26 to Aaron.
- Aaron will convene with the committee and respond back with bid assignments.
- Schedule and Bid Forms will be emailed and posted online so that coaches can access that information.
- Motion to approve the 2019 – 2020 competition schedule as outlined. **Motion Passed.**

New Business

Officer Terms –

- Nominating Committee needed to ID and solicit interest for a new suite of officers.
- Motion that the current Officers on the board become the Nominating Committee (Laura Mitchell, Jim Stretch, Nick Wooters and Alec Scott). **Motion Passed.**

Event Offerings at Meets –

- Difficult to get distance swimming opportunities for Z1N swimmers because they are not offered in our format and not often offered at meets.
- Proposal for next season – Nov 16-17, Feb 22-23, June 20-21 as “Last Chance” meets and meet hosts would need to have the capacity to run all events.
- Suggestion to go to the LSC and recommend that the 2 distance events be interchangeable for JOs (1650 / 1000 and 1500 / 800)
- Suggestion to have an A and B Format and then a “C” Format pre-JOs with all events offered or most events offered.
- Suggestion to have a group look into this idea / issue and then bring a proposal back to the committee.
- Suggestion for a Zone sponsored “distance extravaganza” hosted by the zone, goal to break even. Suggestion for a Friday night session offered for some meets.
- Motion to appoint Annie Stein, Ben Chung, and Laura Mitchell committee to look into recommendations and return with a proposal. **Motion Passed.**
- Motion to vote to 9 – 10 events changed to 10 & Under for the 100 back, 100 breast, 100 fly with the Pacific Swimming A Time Standard in the 50 of that stroke. 10 & Under events would be the 50 free, 100 free, 50 back, 100 back, 50 breast, 100 breast, 50 fly and 100 fly. **Motion Passed.**

Revise the Z1N Bidding Process

- Discussion regarding different ideas and the issues with different meets (small numbers, hard time anticipating schedule, etc.)
- Dual venue splits are impaired by coaches not getting their numbers in on the spreadsheet.
- Discussion should continue at upcoming meetings and through the committee.

Next meeting is Monday, May 13.
