TECHNICAL MEETINGS: All swimmers and coaches must attend the technical meeting prior to race day. Each coach and swimmer are responsible for all information distributed at this meeting. Technical meeting(s) will be conducted virtually, via Zoom. Meeting information will be published the week of the meet.

PRE-RACE BRIEFINGS: In addition to the technical meeting, all swimmers must be present for the Pre-Race Briefing at the race start area prior to each race. At this meeting, race officials will distribute last minute information on weather and water conditions, emergency procedures, etc. Briefings will be held 15 minutes prior to the scheduled race start. **Positive check-in is required - once checked into the staging / briefing area athletes will not be permitted to leave to ensure final head count prior to entering the water.**

WEATHER CONTINGENCY: The safety of swimmers is our primary concern. Therefore, this event may be delayed or canceled due to poor conditions. The Independent Safety Monitor and the Meet Director will make this decision. The following rescheduling priorities will be used:

- Priority 1 – Later during the race day
- Priority 2 – USA Swimming Sanctioned events (Western Zones Championship) will take priority over Donner Dip

(Sport Races: Non Sanctioned) scheduled immediately following the morning session.

RACE DAY SCHEDULES: *RACE START TIMES ARE SUBJECT TO CHANGE.* Race check-in times, briefings, start times and exact schedule of events will be determined after the entry deadline.

Race day check-in:

Boy's / Girl's races: **Opens - 7:30 am / Close 8:20 am.**

Check-in for later races will open 1 hour prior to the scheduled start of the race. Athletes are encouraged to arrive 1 hour before their approximate race start time.

MANDATORY Pre-Race Briefing: Briefings will take place in designated meeting area 15 minutes prior to race start (men's & women's race meetings will be done together if possible)

PARKING INFO: Directions and signage to the race site will be posted in the park and surrounding public parking areas. Parking will be available along Donner Pass Road and in a small parking area adjacent to the road. Please allow 15 minutes for parking and walking to the venue. There is no charge to park.

RACE SAFETY AND EMERGENCY INFORMATION

Independent Safety Monitor: ??? (?@gmail.com).

Supervision

Races will be supervised by certified lifeguards, provided by CSTE. Motorized water safety crafts will be on the course during races, following the athletes. In addition to the motorized crafts, lifeguards in kayaks and monitoring from the peer’s spread-out along the course approximately every 150m.

Accounting for Swimmers

Competitors will have pre-assigned race numbers. All swimmers will be marked with their race number at check-in. The number of swimmers in a race, that have entered the water, will be announced to all officials and safety personnel prior to the start of each race.

Each swimmer is required to have a Handler present at the meet. The Handler's cell number will be recorded at swimmer check-in and made available to meet staff on a printed list. If a swimmer can't be found, the first call will be to the Handler. A Handler may be responsible for more than one swimmer. This Handler may be a Coach but does not have to be,

Each swimmer will be assigned a unique number and will receive a "ticket", that will include the number matching their body marking, and will need to be presented for water entry for their race.

Communication

Meet officials will have direct radio communication with each other and the Safety Monitor, who will be located on shore. If the lifeguards on the course do not have radio communication, non-verbal communication will be used to indicate a swimmer in distress or an emergency. The non-verbal communication will be lifting and waving the kayak paddle in the air while issuing a series of short whistle blasts.

Evacuation

In the case of an emergency, athletes will exit the course at closest pre-designated piers on the south/southeast sides of the course (Naval Amphibious Base Coronado). An emergency will be indicated by the lifeguards issuing 3-long whistle blasts. Athletes will be escorted to Mega Pier indicated on the map - after exiting the water where a head count will be conducted and total head count will be passed to Meet Director and EMS personnel. If an athlete is unable to evacuate on their own, kayakers will secure the athlete until a motorized watercraft can assist the athlete to shore. The start/finish area will be the primary evacuation point.

EMTs & Hospital

Coronado Fire - lifeguard division will be on-site and will be responsible for calling additional EMS/ Paramedic personnel if required. The person will be transported to:

Tahoe Forest Hospital

10121 Pine Ave, Truckee, CA 96160 (530) 587-6011

Medical Equipment

AEDs and first aid are available near the start/finish area. Lifeguards will have basic first aid on hand.

Thermal Safety

2024 Donner Dip Open Water Championships

Tents for shade will be setup in the athlete hospitality areas. Bottles of water and snacks post-race will be provided, but athletes are strongly encouraged to bring their own hydration.

[The event will be in compliance with USA Swimming Rules. See Section 7 of the USA Swimming Rulebook for more information or topics not addressed in this meet form.](#)

COVID-19 ASSUMPTION OF RISK AND SOCIAL DISTANCING PROCEDURES

Local Protocols & Requirements
